Sporting News.

The Chicago Driving Park Association claims July 14 to 20 as the dates of their summer trotting meeting of 1883.

The only brother of Rarus is now used in a work team on the farm of Mr. R. B. Conklin, who bred both horses.

The chestnut gelding Capt. Lewis, that created such a sensation last summer by coming direct from the plow and winning every race in which he started, is regarded by many as being the most promising horse now on the turf.

The meeting of the South Carolina Jockey Club at Charleston ended on Saturday last. The weather was fair, but the track was heavy. Linchpin won the dash of a mile for all ages in 1:50¾. The dash of a mile for 2-year-olds was won by Mordaunt. Time, 1:55¾. The purses were small, none of them exceeding $250.

AGRICULTURAL WEEKLIES.

The COUNTRY GENTLEMAN is the leading Journal of American Agriculture. In amount and practical value of contents, in extent and ability of correspondence, in quality of paper and style of publication, it occupies the FIRST RANK. It is believed to have no superior in either of the three chief divisions of

Live Stock and Dairying,

while it also includes all minor departments of rural interests, such as the Poultry Yard, Entomology, Bee-Keeping, Greenhouse and Grapery, Veterinary Replies, Farm questions and Answers, Fireside Reading, Domestic Economy, and a summary of the news of the week. Its Market Reports are unusually complete, and much attention is paid to the Prospects of the Crops, as throwing light upon one of the most important of all questions—When to buy and When to Sell. It is liberally illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of the term, a

Live Agricultural Newspaper,
