In many houses are tucked away in the dark, as if any place were good enough to sleep in.
We think a bedroom ought to be a most attractive place, and have made many tasteful things to furnish it.
For a dark bedroom—or a light one either—there is nothing nicer than the rich, glowing tones of birch. Now that the "chill November days" are with us, it is time to choose just such warm tones for bedroom comfort as you will find in our birch furniture. Suits of 3 pieces for $20.00.
