LOZIER

ANNOUNCEMENT 1910

LOZIER Agents in the principal cities throughout the United States have contracted for a majority of the cars which will be built in our factories during the next twelve months, thereby restricting the number of **LOZIER** cars available for New York City to a **smaller number for 1910 than were sold in 1909.**

1910 LOZIER CARS are now offered for sale in New York City, and deliveries will be made in the order in which orders are placed.

The **LOZIER** has always been a **leader,** never a mere **imitator**—more original features in design and construction appearing first on the **LOZIER** cars than on any other make—features since adopted as standard practice by all makers.

The 1910 Shaft Driven **LOZIER** cars **as usual** show real and original improvements, which will later be found on other standard high-class cars. Our reputation commands recognition of the truth of this statement.

BIG-6 LOZIER CARS $6,000
BIG-4 LOZIER CARS 5,000 } TOURING AND BRIARCLIFF MODELS
