NEW YORK CITY CAR ADVERTISING COMPANY

An Advertising Kaleidoscope

Have you noticed how often the advertisers in New York City Surface Cars change their cards?

Watch them; these changes are as interesting and varied in color and design as a Fall Sunset.

On an average there are from four to five changes of cards in the cars every night.

As we said before, these changes are interesting; watch for them.

We have the exclusive control and sale of the advertising space in the

Surface Cars of Manhattan and Bronx and 5th Avenue Buses
