THE GREAT ENGLISH REMEDY.

SIR JAMES CLARK'S

CELEBRATED FEMALE PILLS.

This invaluable medicine is unfailing in the cure of all those painful and dangerous diseases incident to the female constitution.

It moderates all excess, removes all obstructions from whatever cause, and brings on the monthly period with regularity.

These Pills should not be taken by females that are pregnant during the FIRST THREE MONTHS as they are sure to bring on Miscarriage; but at every other time and in every other case they are perfectly safe.

In all cases of Nervous and Spinal Affections, pain in the Back and Limbs, Heariness, Fatigue on slight exertion, Palpitation of the Heart, Lowness of Spirits, Hysterics, Sick Headache, Whites, and all the painful diseases occasioned by a disordered system, these Pills will effect a cure when all other means are foiled.

Full directions in pamphlet around each package which should be carefully preserved.

They can be sent in all parts of the world, containing 50 pills post free, by enclosing $1 and 4 three cent stamps to any agent. Sold by all Druggists. Sole United States agent,

JOB MOSES,

1x41 27 Cortlandt street, New York.

TO CONSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a sure cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and all Throat and Lung Affections.—The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he considers to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription sent, by return mail, will address REV. EDWARD A. WILSON,

87 Williamsburgh, Kings Co., New York.

A New and Grand Epoch in Medicine!—Dr Maggiel is the founder of a new Medical System! The quantitarians, whose vast amount of doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills and extra. The Rose Ointment works like a charm on all the worthless and all healing Salve. These two great specifics of the Doctor are fast superseding all the vile compounds of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full takes creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and erupt ive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is here announced that Maggiel's Pills or Drops are and Dandelion Pills never where all others fail.—While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin MAGGIEL'S SALVE is unfailable. Sold by J. MAGGIEL, 43 Fulton street, New York, and all Druggists, at 25 cents per box.

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

THE WONDERFUL FLEXIBILITY and great coverage and easiness to any Lady wearing the DUPLEX ELLIPTIC SKIRT will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for promenade and House Dress, as the skirt can be folded when to use to occupy a small place as easily and conveniently as a silk or Muslin Dress, an invaluable quality in crinolines not found in our Single Spring Skirt.

A Lady having enjoyed the Pleasure, Comfort and great Convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice or double covered; preventing them from wearing out when dragging them down stoops, stairs, &c.

The Duplex Elliptic is a favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, durability, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against Imposition be particular to notice that Skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs" upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the center, thus revealing the two (or double springs) braided together therein, which is the secret of their flexibility and strength, and a construction not to be found in any other Skirt.

For Sale in all Stores where First Class Skirts are sold throughout the United States and elsewhere.

SYMPTOMS.

The symptoms of Catarrh are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards thick and adhesive, may ensue.

As the disease becomes chronic, the discharges are increased in quantity and changed in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and nasal; the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is that the person is obliged to clear his throat in the morning of a slick or slimy mucous, which has fallen from the heap during the night.—When this takes place, the person may be sure that his disease is on its way to the lungs, and should loose no time in arresting it.

The above are but few of the many Catarrhal symptoms. Write to our Laboratory for our pamphlet describing fully all symptoms; it will be sent FREE to any address. Also directions where to procure the medicine

We are receiving letters from all parts of the Union, and also numerous testimonials from those using it, bearing the evidence of its infallible merits.

DR. MAGGIEL'S

PILLS AND SALVE.

These Life-giving remedies are now given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS!

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be

A VERY FOUNTAIN OF YOUTH,

For in every case they add new life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged they will prove most invaluable, as a ready, specific, and sterling medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

AN ETERNAL SPRING!

It was left for this day and hour to realize the dream, and show to one glorious fact, the magic that made it fair.

THESE FAMOUS REMEDIES

Cannot stay the flight of years, but they can force back, and hold aloof, diseases that might triumph over the aged and the young. Let none hesitate then, but seize the favorable opportunity that offers. When taken as prescribed

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect to prescribed doses to the youngest babe.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!

GEORGE WHITE.—Minor.

STATE OF VERMONT, } At a Probate Court held
Bennington County, ss. } in Manchester, in and for said District, on the 17th day of September, 1866.

Present, Hon. E. B. BURTON, Judge.

The guardian of George White, a minor, of Sandgate, in the District of Manchester, would respectfully represent that his said ward is possessed of certain real estate lying in the towns of Sandgate and Manchester in said District, and is the same conveyed to said minor by William L. REDUCTION IN PRICE

OF THE

AMERICAN WATCHES,

MADE AT WALTHAM, MASS.

In consequence of the recent great improvements in our facilities for manufacturing, we have reduced our prices to as low a point as they can be placed.

With Gold at PAR,

so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

More than 200,000 Watches,

have given our productions the very highest rank among time keepers. Commencing with the determination to make only the simply excellent watches, our LIGHT has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in saying that we now make MORE THAN ONE HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES. The different grades are distinguished by the following trade-mark on the plate:

1 "American Watch Co." Waltham, Mass.
2 "Appleton, Tracy & Co." Waltham, Mass.
3 "P. S. Bartlett," Waltham, Mass.
4 "Wm. Ellery."
5 OUR LADIES' WATCH of first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6 Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co. of Waltham, Mass. authorize us to state that without distinction of trade-marks or price,

ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED

to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of responsible dealers. All persons counterfeiting will be prosecuted.
