OLD-TIMER WRITES TO LUMBERMEN

Boys, keep always in your mind Colonel Disque's New Year's appeal to us for more airplane and ship timber material. I have spent 37 years of my life in the woods with you and I'm still some man, and I want to ask you boys, with the stag pants and cork soles, if you are going to pass up this appeal or are you going to stand by him?

Tom and Joe and Ben and Harry and a host of our numbers who used to work with us have quit their \$5, \$4, \$7 and \$8 a day and joined the service for \$30 a month and are already over there in our old element (the mud) to their waists with no chance to get out until they are told to.

Boys, let me tell you that Wilhelm is some goer and we've got to fight like hell to whip him, but we are not going to try to whip him; we are going to whip him and you can do just as much here to do it as the boys can who have gone over there, and I'll tell you how to do it.

First, Mr. Foreman, every time you turn the crew out you are starting over the top.

Second, Mr. Hook Tender (excuse me for calling you Mr.) every time you grab that haulback and start over the hills around a bunch of logs you are going over the top.

You rigging men are helping to do it and every time you chokermen put a choker around a log you are putting three or four pairs of wooden shoes out of business.

Mr. Donkey Driver, every time you pull the throttle you are heading a cannon ball straight at that accursed kaiser and his hell-bound bunch of murderers.

Mr. Gang of Fallers, every time you drop one of our forest kings you are planting forty or fifty more sauerkraut eaters, where they will never sprout again.

You buckers, monkey flunkers, bull cooks, whistle punks, cook house and blacksmiths outfits are doing just as much for your country as though you were the shoulder straps of an officer.

If I ever write you again I am going to tell you how to handle the kaiser's bull cook when he starts trouble in our ranks. But, above all, let us help this man who has come among us to get these timbers. We may never get a military funeral, but

let us show the world that we are game. Let us stand by Colonel Disque and President Wilson. Let us stand by the Grand Old Flag until her colors spell the word "Freedom" to every nation on the face of the earth.

OXEN PRICES IN SWITZERLAND

The price of oxen bought at a recent sale in Switzerland ranged from \$440 to \$480 the pair; cows sold for \$240 to \$280 each; goats, \$12 to \$16 each; small hogs, \$12 to \$16 each; medium sized hogs, \$40 to \$50 the pair; sheep, \$12 to \$16 each.

Before the war the navy's bureau of identification had the finger print records of 300,000 men. In the last year the number has increased to about 600,000. In taking the finger print record of the navy recruit the impressions of all ten fingers are obtained.

FEEDING SUCKLING PIGS

When the pigs are about 3 weeks old, sometimes less, they will begin to nose around for something to eat. If they are going to do as they should this something must be supplied. One of the best feeds at this particular time is shelled corn. It should be in a self-feeder in a pen where the pigs can go to it and will not be bothered by any of the rest of the hogs. This can be arranged by a creep just large enough to admit the pig handily. Don't forget that these little fellows grow rapidly and from time to time the creep must be made larger. After the pigs are 4 or 5 weeks old, especially if they do not have good grass pasture, the addition of some shorts, tankage or oil meal is advisable. Nothing would be better, however, than skimmed milk. The self-feeder in which is kept corn and other feeds should be maintained right along up until weaning time, and after that if the pig is intended for market purposes. Pigs to be used for breeding purposes may be kept on a self-feeder all the time with splendid results, but in some cases they get too fat and logy and do not take the proper exercise. The most profitable pig is the one that never quits growing from farrowing time until he is driven over the scales.

THE RED CROSS NURSES OF EUROPE ARE GIVING TOASTED CIGARETTES TO THE BOYS

To anyone who doesn't know of the wonderful advances that have been made in the preparation of smoking tobacco in the last few years it may sound strange to speak of toasted cigarettes.

Strictly speaking, we should say cigarettes made of toasted tobacco; the smokers of this country will recognize it more readily by its trade name, "LUCKY STRIKE"—the toasted cigarette.

The American Tobacco Company are producing millions of these toasted cigarettes and these are being bought in enormous quantities through the various tobacco funds conducted by the newspapers of the country and forwarded through the Red Cross Society to the boys in France.

This new process of treating tobacco not only improves the flavor of the tobacco but it seals in this flavor and makes the cigarettes keep better.

The Red Cross nurse is always glad to have a cigarette for the wounded soldier, as, in most instances, that is the first thing asked for.

Receives Semi-Annual Meal
Glady's, the 20-foot python in Lincoln park, Chicago, received her semi-annual meal recently. Twelve keepers, with the aid of a sausage-stuffing machine and a five-foot pole, directed her to 30 pounds of ground beef, followed by a 12-pound piece of beef.

A Bilious Attack.
When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.
