THE THRIFT CAMPAIGN
The "house to house" Thrift Campaign to advance the sale of W. S. S. is to be carried on from March 19 to 23. Everybody should assist in this great work. If you can not buy a Liberty Bond, buy a Thrift Stamp or a Baby Bond. We have in this country more money and more charity and more need of them both than ever before. You are not asked to give your money—simply to loan it at a good rate of interest backed by the best security in the world. You are asked to loan your money to stop the wanton murder of our fellow countryman on the high seas, of the babes and women in the once fair Belgium, Serbia, Poland, Roumania and elsewhere. Your loan is for the cause of civilization and democracy and national decency and honor and the right of a small nation to live her own life, without fear of being overrun and crushed by a powerful neighbor in quest of plunder and great ness.
Your loan is to teach a powerful monarch that he can not longer defy the laws of world democracy. Buy a Thrift Stamp. Buy a Baby Bond and keep on buying.
J. W. ALLEN.
