The most inveterate forms of this disease have been completely cured by this medicine, to simple testimony of some of our best citizens proves.

FROM THE VENERABLE AND RIDERDON SCOTTIDD

Fancy the Dismay

Which would prevail in thousands of Households

If it should be suddenly announced throughout the United States, Canada, the West Indies and Spanish America that no more HOSTETTER'S BITTERS would be manufactured, that henceforth the GRAND SPECIFIC FOR DYSPEPSIA, and preventive of all malarious disease would be LOST TO THE WORLD! The bilious, the feeble, the despondent; the traveler, the voyger, the miner, the sedentary student; the settler on the frontier of civilization; the toiler cooped up in crowded city tenements, the convalescent, needing an invigorant; the shivering victim of ague, and the nervous of both sexes everywhere, would learn, with grief, too deep for words that the most celebrated corrective, invigorant and alterative of the age, had been blotted out of existence. AS A PREPARATORY ANTIDOTE to epidemic diseases, a genial stimulant, a promoter of constitutional vigor, an appetizer, a stomachic, and a remedy for nervous debility, no medicinal preparation has ever attained the reputation of HOSTETTER'S BITTERS. It is the HOUSEHOLD TONIC of the AMERICAN PEOPLE—has been so for twenty-years, and in all human probability will be so for centuries to come. The magnates of Science recognize its merits; and that it is emphatically the medicine of the masses is proved by its vast and ever increasing sales.

DODD'S NERVINE AND INVIGORATOR

This Medicine is a NERVE TONIC. It stops the waste of vitality, leaves the Nerves, and quietly regulates the system. Sleeplessness, Irritability, Loss of Energy, Loss of Appetite, Dyspepsia, Constipation, Seminal Weakness, and a general falling of the mental and bodily functions, are the common indications of Nervous Disease. Dodd's Nervine and Invigorator is a complete specific for all those troubles. It is also the best, as it is also the most agreeable

REMEDY FOR FEMALE COMPLAINTS

ever offered to the public. Prostration of Strength, Hysteria—ostalgia, excessive, irregular or painful menses—yield to its magic power.

TO MOTHERS!

Mothers! we also commend the NERVINE for use in the diseases which afflict children while Teething, as certain to afford quick and grateful relief. The stupefying Syrups, of which Opium is the principal ingredient, are dangerous in the extreme, impede the functions of the stomach and bowels, and actually impede the healthy growth of your offspring. To cure Wind Colic, regulate the bowels, soften the gums and relieve pain, the NERVINE will always be found safe and efficient.

DON'T USE ANYTHING ELSE!

UNION PACIFIC RAILROAD,

Across the Continent

Bonds at the rate of from $16,000 to $48,000 per mile, for which it takes a *second lien* as security, and receives payment to a large if not full extent of its claim in services. These Bonds are issued as each twenty-mile section is finished, and
