TRUE.—The Boston *Post* says the Sultan of Turkey has behaved more like a Christian toward us, since the war broke out, than any other sovereign.

THE STATE CREDIT.—The bids for the $800,000 yesterday, afford gratifying evidence that the credit of the Empire State is unimpaired. The average rate of the successful ones is a fraction under 110.80. And, this, too, for a six per cent stock, with the important condition that the money is to be paid to the State in specie which now commands a premium of six per cent!

Our foreign critics have been predicting universal bankruptcy as a consequence of the war for the Union. Such evidences of unshaken credit as this must convince the most wrong headed of them that they have underrated at once the resources of our country, and the temper of our people.—*Journal.*

PARROTT GUNS.—The cost of the smallest Parrott gun—6-pounder—is $200; for 200-pounders 2,000 each, which is said to be one-tenth of the cost of the Armstrong gun. The charge of powder is one pound to every ten of the ball, and the cost of powder and shell for every discharge is nearly $10. The weight of the 200-pound Parrott is little less than one-half that of the columbiad which carries the 150-pound solid shot, or the 10-inch shell. The practice with these guns is excellent. Experiments are made daily, and with an accuracy most astonishing. The shriek of the ball, as it flies through the air at a velocity of over six hundred miles per hour, is like that of a railroad train at full speed.

PROCLAMATION.

EXECUTIVE OFFICE,
Nashville, Tenn., May 9, 1862.

WHEREAS, Certain persons, unfriendly and hostile to the Government of the United States, have banded themselves together, and are now going at large through many of the counties in this State, arresting, maltreating and plundering Union citizens wherever found;

Now, therefore, I, ANDREW JOHNSON, Governor of the State of Tennessee, by virtue of the power and authority in me vested, do hereby proclaim that in every instance in which a Union man is arrested and maltreated by the marauding bands aforesaid, five or more rebels from the most prominent in the immediate neighborhood shall be arrested, imprisoned, and otherwise dealt with as the nature of the case may require. And further, in all cases in which the property of citizens loyal to the Government of the United States is taken or destroyed, full and ample remuneration shall be made to them out of the property of such rebels in the vicinity as have sympathized with, and given aid, comfort, information or encouragement to the parties committing such depredations.

This order will be executed in letter and spirit. All citizens are hereby warned under heavy penalties from entertaining, receiving or encouraging such persons so banded together or in any wise connected therewith.

By the Governor:
ANDREW JOHNSON.
EDWARD H. EAST,
Secretary of State.

PROSPECTUS
OF THE
NASHVILLE UNION.

THE NASHVILLE UNION was commenced a few weeks since, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union of the States. It has no watchword but FREEDOM AND NATIONALITY.

With rebels and traitors it has no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the SUPREME LAW OF THE LAND, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it be called.

To the people of Tennessee, ever renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perfidious Governor and corrupt Legislature, and who have felt so heavily the awful curse of treason and anarchy, we appeal for support. Let the names of rebel office holders, Vigilance Committees, and Minute Men, who have filled our borders with mourning, be gibbetted before the world. Let these ambitious and avaricious men who have plotted our ruin for their own aggrandizement be fastened to the pillory of shame, no matter how high their position in society. Let it be shown how the self-styled defenders of "Southern Rights" are now leading marauding bands of free-booters and mess-troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the Southern conspirators, now circulate freely through every neighborhood, and our cause will assuredly triumph. Will not loyal men everywhere aid us in the dissemination of facts and the advocacy of Free Government?

DR KING'S DISPENSARY

FOR PRIVATE DISEASES.

DR. KING, formerly of New York, for the last four years of Louisville, Ky. and who has devoted his attentions to the treatment of private diseases for 30 years, flatter himself, having attended to a practice for so many years, and cured so many thousands, he is enabled to cure all diseases of a private nature, no matter how bad they may be from injudicious medical treatment, or from neglect of their own. Dr. King's Dispensary is No 23 Desderick street, between Cherry and the Square, second story, where he cures all diseases of a private nature.

Gonorhea cured without nauseous medicines or interference with business.

Strictures of old or recent date, effectually cured in a few days, by an operation which causes no pain. Where a stricture exists health cannot be enjoyed. Perhaps no disease causes more mischief and undermines the constitution so much.

Syphilis, with all the diseases of the skin, growing out of neglect or bad treatment, can be effectually cured in a few days.

Seminal Weakness.—Particular attention having been given to this disease, and all the consequences growing out of it, brought on in many cases by the destructive habits of inconsiderate youths, and excessive indulgence of the passions, a neglect of which will undermine the constitution, rendering the subject unfit for business or society, and a long signature of ills ensues.

Females who may be laboring with any difficulty o the Womb may rest assured immediate relief.

Persons residing abroad, by writing and stating their case, with a fee enclosed, direct to Dr. A. King, No. 23 Desderick street, Nashville, Tenn., will have the necessary medicines sent to their address. Office hours on 2 o'clock in the morning until 8 in the evening.
