ALBERT H. NICOLAY, AUCTIONEER.—PEREMPtory sale of a handsome Gothic cottage, with 12½ full lots, situated at Clifton, Staten Island, within four minutes walk of Vanderbilt landing.—Albert H. Nicolay will sell at auction, without reserve, on Wednesday, October 18, at 12 o'clock, at the Merchants' Exchange, New York, (if not previously disposed of at private sale,) a very handsome new frame cottage filled in with brick, built in the best manner, in the English rural style, together with 12½ full lots, 25 feet by 100 each, and excellent land, situated on the private road, which is a first class neighborhood, opposite Robert Canter's estate, near Vanderbilt avenue, and within four minutes walk of Vanderbilt landing, at Clifton, Staten Island. The house is about 32 feet front by 42 feet in depth, including the wing attached, ornamented in beautiful style with arched piazzas, and contains a large parlor, dining room, kitchen with range, six sleeping rooms and a bath room, marble mantels and grates throughout, and a good cellar; there is also a well of excellent water on the premises. The garden embraces all kinds of vegetables in abundance, and the grounds around the house are tastefully laid out, with gravel walks, flowers, shrubs, &c., &c., and all in the most complete order; in fact, the place is all that a gentleman of taste could desire, as the romantic and beautiful scenery is unsurpassed. It is the only property that can be purchased at Clifton so convenient to the ferry, and containing so much land. The boats leave every half hour in summer, and every hour in winter, fare 6¼ cents, making Staten Island much more desirable for private residence than the upper part of the city, as the time consumed in reaching this beautiful island is about the same from the Battery as Twenty fifth street, but far more preferable in point of health and comfort, with the advantage of combining city with country life, and enabling persons to attend to their daily business in New York without interruption. The title of this property is unquestionable, and terms easy. For cards of admission to view the premises, and full particulars apply to
