To Correspondents.

Our correspondents must allow us to take our own time for reading their communications. We have no time to be read to. It is literally impossible.

Please Notice.

We have no time to transcribe communications. We sometimes receive communications with a scrap of *confidential* information written on the back of the manuscript. Of course if we use the manuscript we have to re-write it, and this imposes entirely too much labor on us. We have no time for such work.

Notice to Club-Makers.

The Editor will be greatly obliged to persons making up clubs for the UNION if they will remit to the publishers and not to himself. Communications and subscriptions are sometimes mixed up with private information in such a manner as to cause needless delay and trouble to all parties.

PROSPECTUS
OF THE
NASHVILLE UNION.

THE NASHVILLE UNION was commenced a few weeks since, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union of the States. It has no watchword but FREEDOM AND NATIONALITY.

With rebels and traitors it has no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the SUPREME LAW OF THE LAND, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it be fled.

To the people of Tennessee, ever renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perfidious Governor and corrupt Legislature, and who have felt so heavily the awful curse of treason and anarchy, we appeal for support. Let the names of rebel office holders, Vigilance Committees, and Minute Men, who have filled our borders with mourning, be gibbeted before the world. Let those ambitious and avaricious men who have plotted our ruin for their own aggrandizement be fastened in the pillory of shame, no matter how high their position in society. Let it be shown how the self-styled defenders of "Southern Rights" are now leading marauding bands of free-booters and mess troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the Southern conspirators, now circulate freely through every neighborhood, and our cause will assuredly triumph. Will not loyal men everywhere aid us in the dissemination of facts and the advocacy of Free Government?
