

Every Acre Is an Arsenal

Every acre of land that you farm grows more than the crops you harvest.

It grows actual dollars and cents which represent big guns and high explosives, swords and rifles, machine guns and bombs, food and clothing, everything that our brave soldiers and sailors

need to drive the brutal Hun back to Berlin and force him to his knees.

Therefore, every one of your acres is an arsenal which can turn out weapons and supplies for our men *if*—

And only *if*

You put as large a part as possible of the dollars you get for your crops into
LIBERTY BONDS

A Liberty Bond is a loan to protect yourself, to protect your home and your farm, your wife and your children—all that you value and hold dear, all that makes your life worth living.

American boys are giving their lives in your cause on the fields of France.

They are giving all for you and yours, and they need help.

Have *you* done *your* full share?

How many guns and rifles and other supplies are your acres furnishing?

Think it over.
