...What the New York City Folks say of ...M'Lane's celebrated Vermifuge, manufactured by Fleming ...Pittsburg, Pa:

NEW YORK, August 25, 1852.

This is to certify that I am well acquainted with a man fifty years of age, for many years a resident of this city, who has been at times extremely ill, but could not tell from what cause, unless it was worms. He told his attending physician his suspicions, but the physician at once ridiculed the idea, and refused to attend him any longer. His son then mentioned Dr. M'Lane's Vermifuge, and asked him if he would take it; he readily consented. He went into something to get relief, or die. They at once procured a bottle of Dr. M'Lane's celebrated Vermifuge, and he took one-half at one dose. The result was, he passed upwards of three quarts of worms, cut up in every form. He got well immediately, and is now enjoying most excellent health; and, like the good Samaritan of old, is endeavoring to relieve his unfortunate neighbors. He makes it his business to look up and select all cases similar to his own, that may be given over by regular physicians, and induces them to try Dr. M'Lane's Vermifuge. So far he has induced more than twenty persons to take the Vermifuge, and in every case with the most happy results. He is well satisfied that Dr. M'Lane's Vermifuge, prepared by Fleming Bros., of Pittsburg, is far superior to any other known remedy, and that if more generally known, would not fail to save many valuable lives. For further particulars, inquire of Mrs. Hurlie, 134½ Cannon street, New York city.

Purchasers will be careful to ask for Dr. M'LANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS., of Pittsburg, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lane's genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. Look for the signature of FLEMING BROS. Sold by SOOVIL & MEAD, 111 and 113 Chartres street, New Orleans, Wholesale Agents for the South.

...Persons afflicted with the Fever and Ague, should not spare either time, trouble or expense, to procure Dr. Hostetter's Celebrated Bitters, whose beneficent effects upon the human system has been clearly proved to those who have been stricken down to a short space of time by this dreadful curse, whose cheeks are wan and meager, and whose eyes are dim and sunken, with death staring them in the face, this compound must prove a blessing; snatching them, as it were, from the very mouth of the grave. None can know its true value until they have tested it. When all others have failed, these Bitters have restored the sufferers to pristine health. Their popularity in all the Western and Southern parts, should introduce them to all families.

Sold in New Orleans, wholesale and retail, by J. WRIGHT & CO., 21 and 151 Chartres street, sole agents for the Southern States, and to whom all orders should be addressed, and by druggists everywhere. ...2p6t&W

...A new Sewing Machine, superior to all others, has been invented, and is now ready to be introduced to the public by the Grover & Baker Sewing Machine Company. It has been examined by competent judges, and is pronounced to be superior to anything ever invented; in fact, it is the wonder and admiration of every one. Nothing can be more simple, and a child eight years of age can work it with ease. It sews faster than any other machine, and is bound to supersede all others. There is none of the trouble of keeping it in working order that there is in machines of other makers. It does not require the operator to have several pages of printed instructions in order to work it, as is the case with the Wheeler & Wilson machines. There is no leather pad, which is so very troublesome, as in the Wheeler & Wilson machines. It does not require the thread all to be rewound into a complicated little spoolet, as is required by the Singer and Wheeler & Wilson machines, as it goes from the original spools just as they are purchased from the stores. The reputation of the machines formerly made by the Grover & Baker Company, is well-known all over the world. Hundreds of the first families in New Orleans, and throughout the South, bear testimony to the superior qualities of the Grover & Baker machines.

In order to place these useful machines into every family, the manufacturers have introduced a perfect machine, suitable for family sewing, at the low price of Fifty Dollars.

All of the leading patterns of the Grover & Baker machines can be purchased at the Southern depot of the Company, No. 11 Camp street, where purchasers will receive all required information. ...2p2m&W

Another Tale.

This world produces many tales
Of men and monkeys and females;
Of *Wolf* or tiger—neither fails;
Or Pasha, with a hundred tails, (tales).
Also! also! the *Wolf* is gone;
His yarn, too, has been well spun;
And now this tale will bring a tear,
Because of joy to VANDERVEER!!
He, health has brought—none can deny;
What brave will ever dare to try?
Life in his SCHNAPPS is to be found,
And health! to all the world around.

Dr. Vanderveer has done the world a great service by the introduction of his celebrated article of SCHIEDAM SCHNAPPS, which being now recognised as the only true and genuine article, needs no clap-trap puffing, or humbug offers of reward, as to its title to superiority.

The agents for it are:

JOHN MILLS & CO.,
General Agent for United States,
14 Broadway, New York.

The Vanderveer Schnapps can be had at the establishments of the following respectable wholesale Grocers and Druggists of this city:

And kept by all respectable wholesale dealers in drugs in the United States, knowing it to be above all other Schnapps—the best and purest. a25 3eod&1tW

Empoisoned Air.

EPIDEMICS ARE CAUSED BY MORBIFIC POISONS IN THE AIR. In no other way can we account for the population of whole districts being struck down by fevers, bowel complaints, lung and throat complaints, etc., at particular seasons of the year. The effects of the atmospheric poison, whatever disease it may engender, are immediately arrested by RADWAY'S READY RELIEF, which appears to be the specific and natural antidote to every variety of the malarious principle that the system can absorb. For this reason it is imperative on all who wish to be forewarned against fever and ague, bilious, typhoid, yellow and scarlet fevers cholera, cholera morbus, diarrhea, etc., to keep the article constantly on hand, as a single dose at the outset often saves all further medication.

Radway's Ready Relief has successfully proved its wonderful neutralizing powers, in the most violent and aggravating forms of malarious fevers. It is the only remedy that has successfully cured the black tongue.

And if the medical faculty would consent for once to lay aside a little of its false dignity, and boldly come forward and use Radway's Ready Relief in yellow fever, typhoid, remittent and other malarious fevers, there would be a wonderful saving of human life. Since, then, the regular doctors prefer to let their patients die, rather than to save them by the use of Radway's Remedies, it is the duty of every one to look to their own safety and provide a supply of these Remedies, which will never fail in securing you perpetual health.

Suit Against

WHEELER & WILSON

SEWING MACHINE.

—By—

HON. JUDGE McGUIRE.

The attention of the public is called to the following certified copy of Petition of the Hon. Judge McGuire, of Monroe, in the suit brought against the Agent of Wheler & Wilson's Sewing Machines:

Robert F. McGuire vs. Samuel H. Peck.

SIXTH DISTRICT COURT—1625.

To the Honorable the Judge of the Sixth District Court of New Orleans:

The petition of Robert F. McGuire, who resides in the Parish of Ouachita, in this State, shows—

That Samuel H. Peck, who resides in the city of New Orleans, is justly and truly indebted unto your petitioner in the sum of one hundred and seventy-five dollars, with nine-70 100 dollars costs of freight, etc., and five per cent. interest on said amounts from judicial demand until paid for this.

That your petitioner, on the 12th day of March, 1856, purchased of said Samuel H. Peck, one of Wilson's new patent rotary Sewing Machines, No. 3819, with a mel-doon stand complete, for which your petitioner paid to said Peck, in cash, one hundred and seventy-five dollars, all of which fully appears by reference to the bill and receipts herein annexed, marked A.

That your petitioner, who is a planter, purchased the said Machine for the purpose of making negro clothing for the slaves on his plantation. That he informed said Peck that he wished to make said clothing of course Lowells and Kerseys, and wanted a Machine which would sew such goods, and that the said Peck informed and guaranteed to your petitioner that the said Machine would sew coarse goods, as well as fine, and would even sew leather, upon which assurance of said Peck, your petitioner was induced to purchase the said Machine.

That your petitioner caused the said Machine to be fully tried by skillful persons, accustomed to the use of Sewing Machines, and found upon trial that said Machine would not sew with a thread coarse enough to answer for negro clothing; that although it would sew fine goods with a fine thread, it would not sew Lowells or Kerseys, and was, therefore, altogether useless to your petitioner, and entirely unfit for the purposes for which it was sold.

That your petitioner informed the said Peck of this fact, and requested him to take back or exchange said Machine, which said Peck refused to do, and your petitioner then put said S. H. Peck in default by tendering to him the said Machine, and demanding a return of the purchase money.

Your petitioner avers that when he originally purchased the said Machine, it was so badly packed by said Peck that it was damaged by shipment, and he was obliged to return it for repairs and to pay the freight upon it to and from New Orleans, which said freight amounted to nine dollars 70-100, as will be shown on the trial of the cause, which said amount he believes himself entitled to recover from said Peck.

Wherefore, your petitioner respectfully prays that said Samuel H. Peck be cited to answer this petition, and after due proceedings, there be judgment in favor of your petitioner against said Peck, for the sum one hundred and seventy-five dollars, cost of the said Machine, and nine 70-100 dollars, amount paid by petitioner for freight, with five per cent. interest from judicial demand until paid with costs, and for all general relief.
