PROSPECTUS

OF THE

NASHVILLE UNION.

THE NASHVILLE UNION was commenced a few weeks since, for the purpose of opposing the Rebel Southern Confederacy, and of advocating the restoration of Federal authority, without any abatement, over all the States which have attempted to secede. It holds as friends all who support, and as foes all who oppose the Union of the States. It has no watchword but PATRIOTISM AND NATIONALITY.

With rebels and traitors it has no compromise to make. It contends for the Federal Constitution and the Laws made in pursuance thereof as the SUPREME LAW OF THE LAND, anything in the Constitution and Laws of any of the States to the contrary notwithstanding.

It contends for the Union of the States, because without it the preservation of our liberties and institutions and the organization of society itself are wholly impossible. Therefore, whatever stands in the way of crushing out the rebellion and restoring the Union must perish, no matter by what name it may act.

To the people of Tennessee, ever renowned for their devotion to Liberty and Union, until they were betrayed to the rebel despotism at Richmond by a perfidious Governor and corrupt Legislature, and who have felt so heavily the awful curse of treason and anarchy, we appeal for support. Let the names of rebel office-holders, Vigilance Committees, and Minute Men, who have filled our borders with mourning, be gibbetted before the world. Let those ambitious and avaricious men who have plotted our ruin for their own aggrandizement be fastened to the pillory of shame, no matter how high their station in society. Let it be shown how the self-styled defenders of "southern rights" are now leading marauding bands of free-booters and mock-troopers over our State, kidnapping negroes, stealing horses and cattle, breaking into houses, burning railroad bridges and cars, and murdering unarmed citizens in cold blood. Let the truth, so long excluded by the southern conspirators, now circulate freely through every neighborhood, and our cause will assuredly triumph. Will not loyal men everywhere aid us in the dissemination of facts and the advocacy of Free Government?

The current transactions in Tennessee for months to come will be highly interesting to all lovers of their country and her free institutions, and the columns of the Union will furnish the earliest and most reliable history of these events.

TENNESSEE BRANCH

OF THE

NATIONAL CLAIM AGENCY

CONDUCTED BY

HARVEY, COLLINS & BRACE,
WASHINGTON, D. C.

CHARLES H. GREEN, Agent
No. 38, Cherry Street, Nashville, Tenn.

THIS AGENCY possesses peculiar facilities for the successful prosecution and settlement of Claims against the General Government of EVERY DESCRIPTION, its conductors having had seven years' experience in the management of claims before Congress, the Court of Claims, and the Executive Departments at Washington, and being thoroughly acquainted and familiar with the laws and regulations governing their adjustment.

Particular attention will be given to cases arising out of the present war, including the accounts of States, Contractors, and Disbursing Officers of the War and Navy Departments, and for "**Collecting, Drilling, and Organizing Volunteers,**" the reimbursement of which is authorized by an act of Congress; CLAIMS FOR INDEMNITY FOR PRIVATE PROPERTY TAKEN FOR PUBLIC USES, OR FOR DAMAGES TO SUCH PROPERTY, for Horses lost in the service, and for **Military Pay, Pensions, and Bounty Land.**

We give special attention to procuring **Pensions, Bounties,** etc., accruing to Soldiers who have been wounded, contracted disease, or the families of such as have died, or been killed while in the discharge of their line of duty as such during the present war.

Special care will also be given to claims which have been heretofore **Rejected** or **Suspended** by the Departments or **Inefficiently Managed.**

Prompt attention also given to the collection of Quartermaster's Receipts given for Property taken for the use of the Army, to arranging Accounts with and collecting Claims against the Quartermaster's Department.

All Claims placed in our hands receive our Prompt **Personal Attention,** thereby securing many which, in the hands of an Attorney at any distant point, frequently prove unsuccessful.

Aside from this decided advantage, our daily intercourse with all the Departments enables us in many cases to obtain decisions much more speedily than where all communication and other necessary details must be conducted through the mails.

To this end, we solicit you to forward to us any or all cases of such character you may from time to time have presented, and, as is our custom, we will furnish you with all the necessary blanks, and, when required, instructions.

No charge made in any case unless successful.
