Telegraph Chalybeate Springs.

This water is brought four hundred feet in ten seconds.

W. DUNN,

Takes pleasure in informing the public that he is now ready to wait on all who may favor him with a call.

This Spring is situated on the east side of Cumberland river, at the end of the wire bridge. Families, from $4 to $6; one family, $2; by the hundrink, 5 cents. Payment in advance.

ANALYSIS.

Carbonate of Iron, Carbonate of Lime, Sulphate of Magnesia, Sulphate of Lime, Muriate of Magnesia, Muriate of Soda.

The specific gravity of the fresh water was 1.012223—distilled water being taken as a standard

I understand that the water has already been beneficial to several cases. It will be beneficial to a greater degree when taken fresh from the Spring. I should pronounce it stimulant and tonic, and adapted, consequently, to cases of debility, accompanied with an anemic condition of the system, and contraindicated in plethoric and inflamatory states.

RICHARD O. CURREY.

There is no doubt that the Spring kept by Mr. W. Dunn at the eastern end of the Suspension Bridge, is good Chalybeate water, and that it is adapted to many diseases of debility. B. W. Hall, M. D., R. ST. NICHOLAS HOTEL
Broadway, New York.

WHEN completed six years ago the St. Nicholas was universally pronounced the most magnificent, convenient and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience, comfort, and social gratification of the traveling public has been omitted in its planning or neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.
