SPECIAL NOTICES.

AN APPEAL
BY THE
LADIES' NEW YORK SOUTHERN RELIEF ASSOCIATION
FOR MONEY AND GRAIN TO FREIGHT
THE UNITED STATES SHIP DUNBARTON,
Now lying at Brooklyn Navy Yard at the service of the association.

The fellow of the Southern Relief Association of New York earnestly ask the attention and consideration of the rich and healthy North to the pressing necessities of the Southern people, and to the means of relieving those necessities. A steamer, the property of the United States, has been placed at the disposal of the association by the government, and is now moored at the Brooklyn Navy Yard for the purpose of receiving the donations of the North—the contributions of the benevolent and the charitable North.

We plead, we hope, when the calls will carry with them the entire unanimity expression of feeling as a people for hundreds of thousands of our fellow countrymen threatened with the most awful of social calamities. Nothing but the prompt, sufficient help of the philanthropic people of the North can avert from thousands of our fellow creatures at the South, between the 1st of March and the 1st of June, a fate as horrible as that which turned the heart of Christendom toward the perishing people of Ireland.

Our country, in 1847, contributed from her treasury, contributed to the relief of the famine-stricken inhabitants of her sister island no less a sum than $20,000,000. We ask to-day from the opulence and the Christianity of the North less than a thousandth part of the amount for the salvation of the starving South.

We pray that through which the Dunbarton Harpy announced at her fate will be the death-warrant of helpless men, women and children.

We confidently expect a noble gift from Congress, but this cannot be put in an available form for weeks to come; and we earnestly entreat that contributions from the rural districts may be sent without delay.

We do ours to humanity and our national good name that the importance should appear as prominent as possible in the Northern ports not empty handed, but as abundant beside all the generous aid which is at least preparing for our breth-ren who are perishing almost within the sound of our cannon.

PROPOSALS FOR A LOAN OF $23,000,000.

An act to create a loan for the redemption of the overdue bonds of the Commonwealth.

Whereas the bonds of the Commonwealth and certain certificates of indebtedness, amounting to $23,000,000, have been overdue and unpaid for some time past;

And whereas it is desirable that the same should be paid and withdrawn from the market; therefore,

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the Governor, Auditor General and State Treasurer be, and are hereby authorized and empowered to borrow on the faith of the Commonwealth, in such amounts and with such notice (not less than forty days), as they may deem most expedient for the interest of the State, twenty-three millions of dollars, and issue certificates of loan therefor to the Commonwealth for the same, bearing interest at a rate not exceeding six per centum per annum, payable semi-annually, on the 1st of February and 1st of August, in the city of Philadelphia; which certificates of loan or bonds shall not be subject to any taxation whatever for State, municipal or local purposes, and shall be payable as follows, namely:—Five millions of dollars payable at any time after five years and within ten years; eight millions of dollars payable at any time after ten years and within fifteen years, and ten millions of dollars at any time after fifteen years and within twenty-five years; and shall be signed by the Governor and State Treasurer, and countersigned by the Auditor General, and registered in the books of the Auditor General, and to be transferable on the books of the Commonwealth at the Farmers' and Mechanics' National Bank of Philadelphia; which certificates of loan or bonds, when so signed, countersigned, registered and transferred, shall be subject to the payment of the bonds and certificates of indebtedness of the Commonwealth.

Sec. 2. The bids for the said loan shall be opened in the presence of the Governor, Auditor General and State Treasurer, and awarded to the highest bidder: Provided, That no certificate hereby authorized to be issued shall be negotiated for less than its par value.

Sec. 3. The bonds of the State and certificates of indebtedness, now over due, shall be receivable in payment of the bonds or certificates negotiated, at the Governor, Auditor General and State Treasurer may prescribe; and any bidder for the loan now authorized to be issued shall tender in his bid whether the same is payable in cash or in the bonds or certificates of indebtedness of the Commonwealth.

Sec. 4. That all trustees, executors, administrators, guardians, public officers, insurance companies, and others holding in a fiduciary capacity bonds or certificates of indebtedness of the State, or moneys, are hereby authorized to bid for the loan hereby authorized to be issued, and to surrender the bonds or certificates of loan held by them at the time of making such bid, and to receive the bonds authorized to be issued by this act.

Sec. 5. Any person or persons standing in the fiduciary capacity stated in the fourth section of this act who may desire to invest money in their hands for the benefit of the trust may, without an order of court, invest the same in the bonds authorized to be issued by this act, at a rate of premium not exceeding twenty per centum.

Sec. 6. That from and after the passage of this act all the bonds of this Commonwealth shall be paid off in the order of their maturity.

Sec. 7. That all loans of this Commonwealth and yet due shall be exempt from State, municipal or local taxation after the interest due February first, one thousand eight hundred and sixty-seven shall have been paid.
