New Orleans Daily Crescent.

OFFICIAL JOURNAL OF NEW ORLEANS.

WILLIAM H. ADAMS.

BY NIXON & ADAMS.

OFFICE - - - NO. 70 CAMP STREET.

Daily Subscription, $10 - - - By the Week, 20 Cents

WEDNESDAY MORNING, NOVEMBER 9, 1859.

We are indebted to Mr. J. J. McKeever, Agent of the Adams Express, for Vicksburg papers of yesterday. He informs us that the mail failed to reach Grand Junction, the coach having been due [illegible] hours.

We are indebted to Mr. Martin Lyon, the [illegible] of the Planet, who came by railroad from Vicksburg, for late St. Louis papers. The mails will leave here on Friday.

Election News.

We have but little news to communicate beyond what is given in the tables elsewhere.

In the First Congressional District, Mr. John Moore, Secessionist, is undoubtedly elected to Congress, defeating both his opponents, Messrs. LaSere and Hancock.

In the Second District Hon. Miles Taylor—anti-Lecompton Democrat—is probably elected to Congress. The vote from the country parishes will be received in a few days.

By telegraph we learn it is probable that both the Lecompton candidates for the House of Representatives, Louisiana Legislature, have been defeated in the parish of East Feliciana.

We also learn that Dr. Thomas J. Buffington has been elected to the State Senate from the District composed of the parishes of East Baton Rouge, East Feliciana and West Baton Rouge, by a small majority. If this is so, of which we have little doubt, it is one of the greatest political triumphs on record.

We hear that two gentlemen, supposed to be favorable to Mr. Slidell, have been elected to the Legislature from the parish of Jefferson.

Steamship Florida, Capt. O. O. Nelson.—We acknowledge the receipt of a courteous invitation to a dinner on board the fine steamship Florida yesterday, and express our regrets that we were unable to attend.

New Orleans Medical News and Hospital Gazette.—The November number of this valuable medical journal, edited by Messrs. D. Warren Brickell, M. D., and E. D. Fenner, M. D., of the New Orleans School of Medicine, has been issued, and abundantly sustains the high reputation of the publication.

Home Mutual Insurance Company.—Notice is published that an election for thirty-two trustees of the Home Mutual Insurance Company, to serve during the year ensuing the first Monday in February, will be held at the office of the Company on Monday, the 5th of December proximo.

New Orleans Opera House.—Some of the principal artists of Manager Bendomquie's company have arrived, via New York—M. Mathieu, first tenor of grand opera, an artist said to be of great talent and thorough culture; M. Ecarlate, first tenor of grand opera; Mlle St. Urbain, first prima donna; and M. Genibrel, first basso.

Pommery Imperial Champagne.—Every one who knows enough to get hold of the brand of "Prince Imperial (Champagne)" of De Venoge & Co., Epernay, France, is sure of obtaining a rare and pure wine—if the brand be genuine, and is certainly so when of the importation of E. V. Haughwout, sole importer, Nos. 488, 490 and 492 Broadway, New York. It is a most exquisite wine, and not as generally so, a new creation, having been recently introduced into this country. We quote the selection of the trade and of connoisseurs in our advertisement of Mr. Haughwout.

DIED.

On Tuesday morning, 8th inst., at 9 o'clock, ELIZABETH KATE LYONS, eldest daughter of Charles and Charlotte S. Lyons, aged 19 years, 1 month and 21 days.

The funeral will take place on This Morning, 9th inst., at 8 o'clock, from the residence, corner of Apollo and Polymnia streets. The friends and acquaintances of the family are respectfully invited to attend without further notice.

Dyspepsia Remedy One—That Critchadore's Dyspepsia Bitters! Universally acknowledged by Dr. Cullen, the celebrated Chemist, to be a fine article. He pronounces the Dye absolutely perfect in its nature and style. FACT NUMBER TWO—the Excelsior Hair Dye is unrivalled in its effects; produces the identical shade which is indistinguishable from that of nature; and actually strengthens and invigorates the hair—this fact is established by numerous affidavits. FACT NUMBER THREE—The sales of the Dye have increased two hundred per cent. in one year, and every druggist, merchant and hair dresser finds it necessary to keep it as a standard article.

For sale by all Druggists. Dye and applied by all Hair Dressers.

CRITCHADORE, No. 5 Astor House, N. Y.

Louisiana Benevolent Association of New Orleans.—SPECIAL MEETING.—The members of above association are requested to meet at their Hall, No. 5 Carondelet street, on WEDNESDAY NEXT, the 9th inst., at half-past one o'clock, punctually, for the purpose of transacting important business, which will be submitted.

The officers are requested to be punctual.

By order of the President.

ANTHONY SAMBOLA, Secretary.

Twenty years have elapsed since the introduction of Dr. J. Hostetter's celebrated Bitters to the public. The popularity existing in the minds of many persons against what are denominated patent medicines, at first greatly retarded its sale; but its virtues and merits became known, the prejudice of prejudice was overthrown, and the demand increased to such an extent that in a few years scarcely a village existed in the United States in which the afflicted had not experienced the benefits arising from the use of the Bitters, and at the present time there are no bounds to be found in all parts of the world vouchers to the great merits of the article. No greater cure for Dyspepsia can be found.

Sold by Jos. Cerre, wholesale and retail, by J. WRIGHT & CO., 2 and 131 Chartres street, sole agents for the Southern States, and to whom all orders should be addressed, and by druggists and dealers generally everywhere.

Startling Discoveries have been made within the past few years, by eminent French and German Chemists, presenting the great difference in the quantity and quality of Iron in the Blood, and it has been found that prevalent cases of Female debility, loss of healthy complexion—chlorosis, hues albus, etc.—Impurities of the blood and general prostration, were occasioned by the diminished quantity of iron in the blood. The most eminent physicians of Paris, London, Vienna, and recently of New York, have adopted Dr. MOTT'S CHALYBEATE PILLS and Aperient and Stomachic Preparations of Iron, by Hydrogen, and are now prescribing them with most extraordinary success. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful exercise, immediately follow their use. As a grand Stomachic and General Restorative it has no superior and no rival.

For sale by all Druggists. Price, 50 cents per box, containing fifty pills. Sent free by mail on receipt of price. Principal office, 376 Broadway, New York. R. B. LOCKE & CO., General Agents. Wholesale and Retail in New Orleans by J. WRIGHT & CO., 2 and 131 Chartres street. n7 3m3dW
