Steam Press Printing Concern!

A. S. CAMP & CO., Proprietors,
No. 16 Deaderick Street,
Is Published Daily, Tri-Weekly and Weekly.

The Patriot is an earnest, active and undeviating supporter of the Constitutional Union cause, and in the present canvass for the Presidency will use every honorable effort to promote the election of Bell and Everett.

By the purchase of the printing establishment of the *News* and recent additions of new stock from the foundries, the Job Office of the Patriot has become the largest and most complete in the South-West. It is also supplied with the most competent workmen. Steam has been applied to our presses, which are of the best kinds. We are prepared to print, in the highest style of the art, plain or fancy, in black or colors,

POSTERS, HANDBILLS,
PROGRAMMES, BILLS LADING,
SHOW CARDS, SHOW BILLS,
BILL HEADS, BALL TICKETS,
RAILROAD WORK, STEAMBOAT WORK,
DRAY TICKETS, DIPLOMAS,

And, indeed, everything from the smallest Tag to the mammoth Poster, or the least Pamphlet to the largest book.

The large circulation of the Patriot, greatly augmented by the addition thereto of the subscription lists of *News*, renders it an excellent advertising medium. None better in the city.

COAL OIL LAMPS

WE have just received another supply of Coal Oil Lamps, patterns which are some very handsome patterns, for parlors, as fitted with the Collins burner, which is the best improvement and is immeasurably superior to any other Lamp now in use, for softness and steadiness of light, freedom from smoke, simplicity in construction, beauty and economy in first cost, durability, &c., &c. The Lamp will give the light of a gas burner, and is as much so as any Lamp. The Oil we have imported to burn in these lamps is a clear, brilliant white, free from any smoky odor, leaves no grease spot when spilt upon carpet or cloth, and will not chill in cold weather.

THE COUNTRY IS SAFE!!

WHEELER & WILSON ELECTED.

Tennessee enters her voice in favor of

Wheeler & Wilson,

WHICH GIVES IS

SEVENTEEN STATES,

Enough to save the Union, and silence all croakers. Please mark the record and tell us is the verdict just.

The United States as represented in its Agricultural Society, have declared for

Wheeler & Wilson.

Seventeen States, all that have voted, have declared for

Wheeler & Wilson.

All of the Mechanical Associations in the principal cities of the Union have declared for

Wheeler and Wilson.

The best Mechanics the country produces have declared for WHEELER & WILSON. And more have said that no Machine can be invented that shall be superior in the objects proposed, or to be obtained in any such Machine.

New Style Machine Fifty Dollars!

C. R. PARSONS, Agent,

sept22-tf 23 UNION ST., NASHVILLE.

At their old Tricks Again.

THAT the public may not be deceived by the old tricks of the Venders of the Wheeler & Wilson, though perhaps more appropriately styled the dimensionless shuttle, both in relation and Machine, we call their attention to the Report of the State Agricultural Fair, offered a premium of $10 for the best Shuttle or Lock Stitch Machine. In this list of second class Machines, the Machines considered by the Committee, and they only, received the premium were the Singer & Bachelder and the Wheeler & Wilson, being the only Machines on exhibition making the Shuttle Stitch. The premium being awarded to the Wheeler & Wilson over the Singer, was only Each of only. These Weeler & Wilson experts are still at their old game of perversion, shaping their advertisements in such a manner as to make the public believe, if possible, that they have received the premium for the best Machine for family use, which was very far from being the case. This little Baby Shuttle Machine and the Singer and A. B. Howe, were considered in the class of Machines best adapted to Manufacturer's purposes—light and heavy—while the first and highest premium was awarded to the Grover & Baker Machine and Stitch as being the best over all others for family use.

It appears extremely easy for unscrupulous venders of Shuttle Sewing Machines to make very high sounding but incorrect statements out of very scanty material.

A NOVELTY IN THE ART WORLD.
Photography upon Porcelain.

Secured by Letters Patent in the United States, England, France and Belgium.

The American Photographic Porcelain Company.
No. 781 BROADWAY, NEW YORK,

Having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for "MINATURE LIKENESSES OF PERSONS ON CHINA," presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as

URNS, VASES, BREAKFAST CUPS TOILET ARTICLES, &c;

thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by five DOLLARS, will receive in return by express, free of other charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transfered thereon.

By transmitting a daguerreotype and TEN DOLLARS, they will secure in like manner, a handsome French Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and FIFTEEN DOLLARS, they will receive in return a pair of rich Sevres Vases, with the portraits executed equal to miniature paintings, and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in price from Twenty to One Hundred dollars the pair.

N. B.—Be particular in writing the address, town, county and state distinctly. All letters to be addressed to "MANAGER, AMERICAN PHOTOGRAPHIC PORCELAIN CO.," 781 Broadway, New York.
