The PATRIOT is an earnest, active and indefatigable supporter of the Constitutional Union cause, and in the present canvass for the Presidency will use every honorable effort to promote the election of BELL and EVERETT. To enable us to labor with increased efficiency we ask our party friends to aid us in extending its circulation.

By the purchase of the printing establishment of the *News*, and recent additions of new materials from the foundries, the JOB OFFICE of the PATRIOT has been made the largest and most complete in the South-West. It is also supplied with the most competent workmen. Steam has been applied to our presses, which are of the best kinds. We are prepared to print, in the highest style of the art, plain, in colors, or bronze,

POSTERS,	HANDBILLS,

DRAY TICKETS,	DIPLOMAS.

And, indeed, everything from the smallest Tip to the mammoth Poster, or the least Pamphlet to the largest ...

The American Photographic Porcelain Company.

No. 781 BROADWAY, NEW YORK,

Having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for "MINATURE LIKENESSES OF PERSONS ON CHINA," presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water-color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of irregularity—portraits can be reproduced with faultless accuracy, and delicacy of delineation, upon Porcelain wares of any description and dimension used as articles of luxury or of household utility, such as

URNS, VASES, BREAKFAST CUPS, TOILET ARTICLES, &c.;

thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Gallaries in New York: Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York, accompanied by FIVE DOLLARS, will receive in return by express, free of other charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and TEN DOLLARS, they will secure in like manner, a handsome French Vase or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and FIFTEEN DOLLARS, they will receive in return a pair of rich Sevres Vases, with the portraits executed equal to minature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vases of every quality of finish, ranging in price from Twenty to One Hundred dollars the pair.

N. B.—Be particular in writing the address, town, county and State distinctly. All letters to be addressed to 'MANAGER, AMERICAN PHOTOGRAPHIC PORCELAIN CO.,' 781 Broadway, NEW YORK.
