SPECIAL NOTICE.

WE wish to give Notice that hereafter we will not cut SAMPLES of our Goods, nor SEND out goods for exhibition. We know, in the first place, it is not doing justice to our country friends, because they have not the same opportunity that the people of the town have to examine goods. In the next place, we run the risk of losing our goods through servants, and often get them soiled. And again, samples do not show as well as goods in the piece. BENNETT & GOSS.

The Alabama and Georgia Lotteries, as channels for investment, present inducements over any known scheme. The experience the public have had of the management of these Lotteries, the large amount of Prizes sold, the promptness with which they have been paid, are the best guarantees that they will always be conducted in the most honorable manner.

PLAN OF THE LOTTERY.

There are 30,000 Tickets numbered from 1 to 30,000. There are 380 full Prizes and 620 Approximations—making in all 1000 Prizes.

The drawing takes place in public, under the superintendence of two sworn Commissioners.

The Numbers from 1, to 30,000, corresponding with the Numbers on the Tickets printed on separate slips of paper, are encircled with small tubes, and placed in one wheel.

The first 380 Prizes, similarly printed and encircled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a Prize is drawn from the other wheel. The number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioner, the Prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.

APPROXIMATION PRIZES.—The two preceding and the two succeeding Numbers to those drawing the first 380 Prizes will be entitled to the 620 approximation prizes, according to the Scheme.

In ordering tickets, enclose the money to our address for the Tickets ordered, on receipt of which they will be forwarded by first mail.

The List of Drawn Numbers and Prizes will be sent to purchasers immediately after the drawing. Purchasers will please write their signatures plain, and give their Post Office, County and State.

Remember that every Prize is drawn, and payable in full without deduction.

All Prizes of $1,000 and under, paid immediately after the drawing—other Prizes at the usual time of thirty days in full, without deduction.

All communications strictly confidential. Orders or Tickets should be sent in early. Prize Tickets cashed or renewed in other Tickets at either office.

Orders for Tickets can be addressed either to

Dalley's Magic Pain Extractor.

THERE never has been a discovery made in Materia Medica whereby pain can be so quickly allayed; and where parts in a high state of inflammation can be so rapidly reduced to their natural state, nor where wounds and sores can be so thoroughly and rapidly healed, and decayed parts restored without either scar or defect, than with Dalley's Magical Pain Extractor.

In Cuts, Wounds, Sprains and Bruises—casualties to which children are constantly subject—the action of the genuine Dalley's Pain Extractor is ever the same! How much Pain and Suffering may not thus be prevented! Moreover, life itself is often dependent upon having at hand the Genuine Dalley Extractor, and for particulars of which I respectfully refer to my printed pamphlets, for the truth of which I hold myself responsible.

No case of Burns and Scald, no matter how severe, has ever yet, in any one instance, resisted the all-powerful, pain-subduing and healing qualities of the Dalley's Pain Extractor. For sale by

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them, and coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be taken—qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW writes from Baltimore, 15th April, 1854:

"DR. J. C. AYER—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which *cure*; and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"*Pa. R. R. Office, Philadelphia, Dec. 13, 1853.*

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes:

"Having used your CATHARTIC PILLS in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pect
