THE UNIVERSITY MEDICINES
are not patent medicines, but the favorite prescriptions of the New York Medical University, an incorporated institution of the State, and are prepared in consonance with the views of a number of distinguished living American practitioners who believe that the time has come when educated physicians should arise and make a decisive effort to overthrow the health-destroying system of quackery prevailing in every town and city, and substitute scientific, responsible remedies—made in accordance with the principles of medical chemistry—in place of the worthless or dangerous patent medicines flooding the country.

These elegant specifics are prepared by a newly discovered chemical process, by which they acquire a reliability, efficacy and masterly power hitherto unknown to medicine. There never has been a success like this system of medicines. THE UNIVERSITY MEDICINES are to-day sweeping the country from Maine to Mexico, becoming the leading Health Restoratives and rapidly superseding the old poisons, nostrums and nauseous drugs, and their sale is becoming enormous. They are now regularly prescribed by nearly 1,500 physicians.

FROM OUR LETTER FILES.

No medicines ever originated have received so many genuine certificates in so brief a space of time. We are daily receiving letters from every part of the country, from patients and physicians, recording the most astounding cures performed by these remedies. Many of these cases had been considered beyond the power of cure. We wish that we could publish these letters for the encouragement of the afflicted, but a book of 1,000 pages would not contain them.

In order to convince the sceptical, we this day publish the following opinions, selected from many thousands voluntarily given by intelligent, respectable people, who have used the UNIVERSITY MEDICINES themselves, or in their families, as a moral guarantee that these magnificent remedies are totally unlike the patent nostrums of the hour.

SS.—Personally appeared before me, this 5th day of May, 1870, J. W. Scott, President; H. Haserit, Vice President; John G. Howard, Treasurer, and George Powell, Secretary of the New York Medical University, and made oath upon the Holy Evangel of Almighty God that the following are genuine, unsolicited extracts, taken from original letters being daily received at the Institution.

W. H. RIDLET, Notary Public,
Corner Ninth street and Third avenue, New York.

SURGEON GENERAL'S OFFICE,
WASHINGTON, March 10, 1869.

PROFESSORS—Please forward my second order for University Medicines. I am pleased to say that I have found them of great service in the treatment of patients under my charge.
GEO. REED, A. A. Surgeon, U. S. A.

250 CONGRESS STREET, PORTLAND, Me., May 1, 1870.

PROFESSOR SCOTT AND ASSOCIATES:—The UNIVERSITY MEDICINES are rapidly revolutionizing the practice of medicine in Maine. * * * I have over 500 patients. * * * Here, in Portland, I have taken away two-thirds of the doctors' patients. * * * I have nearly 200 agents, and am establishing ten agencies a day. * * * I shall sell $100,000 worth of UNIVERSITY MEDICINES in Maine this year. * * * I am worn out with hard work. * * * I enclose you a number of certificates of great cures. * * * I will pay $1,000 if one of them can be found that is not genuine. * * * Mrs. Morrison's ovarian tumor is nearly well. * * * It has shrunk from the size of a bucket down to the shape of a flat iron. * * * She now rides out, and is about the house daily.
P. STAPLES, State of Maine Agent.

MOBILE, Ala., May 3, 1870.

GENTLEMEN—Send us a full line of your goods by steamer as soon as possible, as we intend to make the sale of the UNIVERSITY MEDICINES a specialty, having more confidence in their curative properties than any medicines we have ever sold. In fact, we have the most unbounded belief in them and always recommend them to our customers in preference to all others we have ever known or sold. We have recently made some astonishing cures in Mobile of scrofula, catarrh, kidney diseases, &c., with your Cancer Plant, Lithia, Specific, &c. L. D. & B. G. GOULD,
Druggists, thirty-five years' standing.

From a distinguished member of Congress.
WASHINGTON, May 4, 1870.

MY DEAR DOCTOR—Your medicines seem to act favorably on the nerves as well as the blood. * * * I am much improved. * * * My limbs are wonders of medical science. * * * I have every faith in your medicine and skill. * * * I believe that you are enlightened of God to do a great work, and that you will do it. * * * You have done a great deal for me. * * * You understand your business. * * * You are the second physician whom I have confidence in. * * * I would not trust the blockheads down here to give physic to my horse. * * *

BLAIRSVILLE, Pa., April 18, 1870.

To Professor SCOTT—Enclosed please find sketch of the case of William Carson, of this place, aged 48; disease, indurated scrofulous ulcer of the right leg, painful and gangrenous, of 25 years' standing. It had exhausted all the skill of numerous physicians during that time.

This terrible picture was his condition on the 1st of February, 1870.

By the use of the Cancer Plant Extract, Healing Blood and Bone Ointment and May-Apple Pills he is now entirely cured.

This case has attracted remark and amazement. He being a poor man, and one turned out to die, the medicines furnished at cost—$15.

Besides, your Five Minute Pain Curer and Neuralgo-Rheumatic Elixir have straightened his neck, drawn to an angle of 45 degrees.

I took him in hand, while all the doctors laughed at me, and considered it a good joke to attempt to cure this poor man; but, thank God, I have cured all his maladies, restored his strength, and made him a well person with the UNIVERSITY MEDICINES.

I think, dear Doctor, that God has inspired you to bring forth remedies for the cure of His afflicted children that nothing in the shape of medicines has yet approached.
SAMUEL E. GREEN.

DAYTON, Va., April 1, 1870.

PROFESSORS—I received the medicine you sent in good order. My wife has been doctoring seven years for falling of the womb and received no benefit whatever. When the UNIVERSITY MEDICINES came to hand she was just recovering from a severe uterine hemorrhage, and was unable to walk a step. After using the injection of Chloride of Gold four times she was enabled to attend to her home duties, and is to-day doing her own washing without her accustomed supporter. The medicines are acquiring a great reputation here. WM. MOK. FISHBACK, P. M.

VERNON, Conn., May 4, 1870.

DOCTORS—I obtained eight bottles of your Ethereal Phosphorus for spermatorrhœa. I am using it according to instructions, and feel a marked improvement. The lustre of my eyes has returned and my whole countenance is brighter. It is slowly but surely curing me. Thanks to your wonderful medicine, it is helping me in many ways, &c., &c.
E. L. RISLEY.

FAIRPORT, Iowa, March 5, 1870.

GENTLEMEN—Your Katalpa Extract works magically. There is nothing equal. I have been affected with sick headache and liver complaint since last spring. Took three doses of your headache pills and can say they have cleaned my head out as clean as a bell. I gave the balance away, saying, "Gentlemen, be convinced—I am." Dr. McKENNA.

YARMOUTH, Me., May 3, 1870.

DOCTOR—My mother is taking your Cancer Plant for dropsy. Two bottles have done her more good than three years' doctoring from the best physicians of this place. * * * I hope the Lord will continue to prosper you in the good work. Mrs. SARAH A. WITTON.

DYSARTSVILLE, N. C.

DR. SCOTT AND ASSOCIATES—The UNIVERSITY MEDICINES are creating a great deal of talk among the people. The Blood and Bone Ointment cures in ringworm and cutaneous diseases. It also has cured a bad case of piles. The Scurfed was tried on a case of asthma of ten years' standing, which it immediately relieved. JAS. D. PURCELL, A. D. M.

TOWANDA, Pa., April 17, 1870.

DR. SCOTT—I have used your Extract of Cancer Plant for the blood, and pronounce it the chief of alteratives. A. N. NELSON.

185 NORTH MAIN STREET, Providence, R. I.

PROFESSORS—Some of my friends and myself have tried the UNIVERSITY MEDICINES and found them satisfactory beyond our expectations. C. B. MOODY.

DUCK HILL, Miss., April 7, 1870.

Professor J. W. SCOTT—I view your UNIVERSITY MEDICINES as a great success and a grand and noble undertaking—one that mankind will bless. J. S. JONES, P. M.

From the well known eminent Dr. Buckler Jones:—

BALTIMORE, Md., Oct 17, 1869.

I have a lady under my care with cancer in the left breast. I recommended her to use your remedies, and with the most marked benefit and decided improvement in every respect.
J. BUCKLER JONES, M. D.

MOBILE, Ala., May 1, 1870.

DR. SCOTT—The UNIVERSITY MEDICINES are acquiring a great name throughout the South. * * * A dear friend of mine is taking the Cancer Plant for a scrofulous disease of a lifetime. He told me to-day that he was nearly cured. * * * A friend's child had 100 spasms a day; none of our physicians could stop them. One bottle of your Ethereal Phosphorus cured them. E. TARDY, with M. G. Fowler & Co.

ASHLAND, Pa., 1870.

DEAR SIRS—I have prescribed your Hydrated Oxymel for Bronchitis and the Yellow Jessamine for Heart Disease with great benefit, and am convinced of their efficacy.
Dr. JOHN B. KENNEDY.

NEWPORT, R. I., Jan. 14, 1870.

"To Triumphe" should be the motto of your medicines. They have cured me after all our Newport physicians have failed. J. W. TILLSON.

76 TEMPLE STREET, HARTFORD, Jan. 19, 1870.

DR. SCOTT & CO.—Four bottles of your Ethereal Phosphorus have acted very strengthening to my system. R. KINZEL.

OFFICE BLANCHARD HAME CO.,
PALMER, Mass., May 4, 1870.

PROFESSORS—The University Medicines are effecting some remarkable cures here. Send me 1 dozen of Cancer Plant and Chemical Ointment. A. B. CHAPMAN, Secretary.

CHICO, Cal., March 28, 1870.

NEW YORK MEDICAL UNIVERSITY—Enclosed find $40. Send by Overland Express the following medicines. * * * The "Cancer Plant" is a splendid alterative. The "Fever and Ague Globules" have proved No. 1. I shall do a fine business in the UNIVERSITY MEDICINES in California. I should like the agency of the State. G. T. HENDERSON, M. D.

I find the University Medicines work like a charm in my practice. M. H. HOLMES, M. D.
W. WATERVILLE, Me.

DR. SCOTT AND ASSOCIATES—I received from your institution, some eight weeks ago, one bottle of your Catarrh Specific for myself and one bottle of Katalpa Extract for my wife. I can say that both of them have done all they claimed to do. One application of the Catarrh Specific, full strength, did more good than all I had ever used before, and I had tried almost everything. The Katalpa Extract has also given perfect satisfaction. Enclosed find $20, for which send me the following: University Medicine for friends.
MAY 1, 1869. A. D. ALLEN, Bath, Me.

DR. SCOTT, &c.—For years I have suffered with cancer of the breast. What my sufferings were tongue can never tell. In a dying condition I came to you and commenced using your Cancer Plant and Ointment. Almost immediately all pain ceased. The tumor has vanished, and through the providence of God I am a well woman. In my deep gratitude, and from a sincere interest in the welfare of those similarly afflicted, I shall be pleased to answer all questions.
Miss E. CAREY.

NEW YORK, Oct. 22, 1869.

Three bottles of your Hydrated Oxymel cured me of consumption, although our Bridgeport physicians said that I could not be cured. GEORGE D. REYNOLDS,
Metallic Cartridge Company, Bridgeport Conn.
MARCH 1, 1870.

PROFESSORS—Your medicines have helped me very much. I have not felt so well in three years before. Like many others, I doubted their efficacy, but am now satisfied.
S. D. DAVIS.

EAST KENT, Conn., May 19, 1870.

PROFESSOR SCOTT—Through the recommendation of C. W. Huntington, of Hartford, who has successfully used your Lithia as a remedy for disease of the kidneys and liver, I am induced to order some. L. M. MASON.

UNIONVILLE, Conn., Jan. 1, 1870.

DR. SCOTT—Three months ago I was attacked with heart disease. Our family physician pronounced it neuralgia of the heart, and prescribed medicine without benefit. I also ascertained that I was affected with that awful disease, spermatorrhœa. I forthwith obtained your Ethereal Phosphorus, and after taking four bottles was completely restored. Afterward I had pain in my back, which your Lithia cured. My oldest boy had the skin disease—Herpes—and doctored five years without relief. I gave him two bottles of your Cancer Plant Extract, and, thank God, he is well. WASHINGTON TYSON.

POTTSTOWN, Pa., Jan. 5, 1870.

CLYDE, Del., March 19, 1870.

DOCTORS—The University Medicines are making a great stir out here. Our doctor says he likes the principle.
D. H. STILE, P. M.

DERBY, Conn., Jan. 21, 1870.

DR. SCOTT—I came to the conclusion that you were trying to cure people, which is more than most doctors do nowadays. I got a bottle of Lithia for my wife's kidney disease, which none could cure, and I found it helped her immediately. D. CAMP.

LATER LETTERS.

1,558 THIRD AVENUE, NEW YORK, June 23, 1870.

PROFESSOR SCOTT AND ASSOCIATES—It is truly gratifying to know that science has at length triumphed over quackery. I have been using the UNIVERSITY MEDICINES in my regular practice for some time with the most remarkable success. Disease of every character rapidly succumbs to their healthful influence. You are evidently destined to overthrow the old practice of medicine.
CHAS. K. DRAPER, M. D.

PHILADELPHIA, June 23, 1870.

PROFESSOR—We have just been handed a bottle containing a piece of tapeworm, 13 feet 8 inches in length, which was brought away by the use of one bottle of Cancer Plant and the Mayapple Pills.

We also have just cured a lady of Gravel, of many years' standing, by using Lithia and Alkaline Resolvent.
