THE EVENING TELEGRAPH

PRICE THREE CENTS.] PHILADELPHIA, WEDNESDAY, NOVEMBER 9, 1864. [PRICE THREE

The Political Campaign.

SUMMARY OF THE RESULT.

Election of Lincoln and Johnson Conceded on All Hands.

NEW YORK, November 9.—The *Tribune* claims New England, Pennsylvania, Delaware, New York, Maryland, Ohio, Indiana, Michigan, Illinois, Wisconsin, Minnesota, Iowa, and Kansas, for Lincoln—grand total, 192 electoral votes, independent of the Pacific States, which, it says, have probably chosen 11 Lincoln Electors. It claims over 10,000 majority in this State, and that members of Congress enough have been gained in the Union to secure the republic two-thirds vote in the House for the prohibition of slavery by a Constitutional amendment. It makes the New York delegation stand 22 Union to 9 Democrats.

The *World* conceded Lincoln's election, claiming New York, Kentucky, New Jersey, and Missouri for McClellan, with Pennsylvania, Delaware, Oregon, California, and Nevada in doubt, but most likely for Lincoln.

The *Times* claims 133 votes for Lincoln, with the probability of all the rest, except Kentucky Missouri, and possibly New Jersey.

News from Sherman.

HE RETURNS TO ATLANTA.

RESIGNATION OF THE GENERAL.

General Thomas with Two Corps to Take Care of Hood.

SHERMAN DESTROYS THE RAILROAD FROM CHATTANOOGA.

ATLANTA BURNED.

He is Marching Direct on Charleston, South Carolina.

CINCINNATI, November 9.—The Indianapolis *Journal* says that officers from Chattanooga report that General Sherman returned to Atlanta early last week, with five corps of his army, leaving two corps in Tennessee, under General Thomas, to watch Hood.

He destroyed the railroad from Chattanooga, and is sending the iron to the former place. Atlanta was burned, and Sherman is now marching directly for Charleston, South Carolina.

LATEST FROM WASHINGTON.

News More and More Favorable.

NO NEW LOAN UNTIL AFTER MEETING OF CONGRESS.

Special to The Evening Telegraph.

WASHINGTON, November 8.—News comes in better and better.

It is considered certain that the Secretary of the Treasury will not put a new loan on the market till after Congress comes together.

Gen. Sheridan's Army

THE REBELS TO TAKE THE OFFENSIVE.

EWELL SUPERSEDES EARLY.

Etc., Etc., Etc., Etc., Etc.

NEW YORK, November 9.—The *Herald's* despatch from Sheridan's army, dated the 8th, states that Sheridan has received information that the Rebels intend immediately to assume the offensive. Ewell has superseded Early.

Newspaper Accounts.

THE REBELS TO ASSUME THE OFFENSIVE.

HEADQUARTERS MIDDLE MILITARY DIVISION, November 8.—General Sheridan has received information that the Rebels intend to assume the offensive. General Ewell has superseded General Early in command of the Rebel troops in the valley.

Yesterday Fitzhugh Lee's Division of Cavalry was at Wardensville, at Cacapon river. Imboden was also reported there. The Rebel force at this point was over five thousand strong. Mosby has been reinforced by a regiment of Virginia cavalry, and was yesterday at Berryville.

A RAID EXPECTED.

A raid is expected on Winchester, or on the line of General Sheridan's communications. The Rebel movements have been already counteracted. The cavalry moved this morning. To-day a force from General Kelley's command successfully attacked a Rebel force that was moving towards Moorfield. A general engagement is now looked for in a day or two. There is much indicating that the Rebels will attempt to flank General Sheridan in his position at Cedar creek. Early has gone to Richmond.—*New York Herald.*

RUMORED RESIGNATION OF GENERAL McCLELLAN.

Special Despatch to The Evening Telegraph.

WASHINGTON, November 9.—It is understood that General McClellan has placed his resignation in the hands of the War Department. It was held back by his friends until after the election. I have no means of confirming this report at present. It is probably true.

[ASSOCIATED PRESS DESPATCH.]

RESIGNATION OF GEN. McCLELLAN.

NEW YORK, November 9.—A special despatch from Washington states that General McClellan sent in his resignation to the Secretary of War last evening.

The Steamship "Africa."

ST. JOHNS, N. F., November 8.—The Spanish barque *Jenas* reports that she saw the steamship *Africa* at 8 o'clock on Monday morning. The weather was very clear. She probably passed the Cape about twenty-five miles off. The *Africa* is due at Halifax on Wednesday morning. Her dates are to the 29th of October from Liverpool, and 30th from Queenstown.

Railroad Accident—No Lives Lost.

HAVRE DE GRACE, November 8.—An unfortunate railroad accident occurred at Perryville last night. The through freight train from Philadelphia, owing to the engineer on the train approaching the steam ferry-boat at too high a rate of speed, collided with the engine and four cars which were standing on the steamer, precipitating both engines and seven cars into the river, among which were three loaded cars of the Adams' Express Company. No lives are known to be lost. No detention to travel will ensue if the tides keep ordinarily full to allow the boat to pass over the obstructions. The engines were new, and very valuable, one of them the heaviest used on the road.

TENNESSEE.

NASHVILLE, November 9.—The city gives Lincoln 1317, McClellan 25.

The Republican ticket is elected by a very large majority. The election passed off quietly.

CONNECTICUT.

HARTFORD, November 9.—Lincoln's majority in all but 13 towns is 2294.

WILLIAM A. BUCKINGHAM,

KENTUCKY.

LOUISVILLE, November 9.—The election was the most quiet known for years. The Union Press, Lincoln, claim estimates McClellan's majority in Kentucky at 15,000 to 25,000. The Journal, Democratic, claims 25,000 for him. The vote was very light. The Courier, Democratic, claims 20,000 majority for McClellan. The returns are meagre, and the returns coming not being heard from, it is almost impossible to form a decided conclusion.

The military situation at Chattanooga is unchanged.

NEW HAMPSHIRE.

CONCORD, November 9.—The vote of 132 towns gives Lincoln 25,784, McClellan 22,087. This increases a handsome Union majority on the home vote.

LARGE UNION MAJORITIES IN CHESTER AND DELAWARE COUNTIES.

A Great Increase Over the October Election.

Special to The Evening Telegraph.

WEST CHESTER, November 9.—Nearly all of Chester county has been heard from, and indicates a Union majority of 2740; Delaware county over 1500 majority; making in all about 4000 majority in the Seventh District. This is a Union gain over October of about 600.

John Hickman and some of his admirers refused to vote at all; but notwithstanding his assaults on Mr. Lincoln, there was an efficient canvass of the county by W. E. Barber, Chairman of the County Committee, and we increased our vote in nearly every township in the district.

The Vote of New York.

NEW YORK, November 9.—The *Tribune* has on its bulletin board a placard claiming the State of New York for Lincoln by 3000 majority.

Marine Disaster.

BOSTON, November 9.—The schooner *Pioneer*, from St Domingo, brings the officers and crew of the ship *Assmir*, from Antwerp, for New York, abandoned, November 6, in a sinking condition, having encountered a hurricane; lost rudder, etc., and sprung a leak.

From Havana.

NEW YORK, November 9.—By the steamer *Columbia* we have Havana dates of the 5th. There is no direct news from Mexico.

The *Estafette*, of the 14th ult., says that vagabonds, deserters, and robbers infest every road, robbing every one they meet, and it is urged that the Government should show no pity to the plague which ravages Mexico.

Advices from Portokee to November 31, report the arrival of the Spanish brig *Vestal*, from Montevideo, with three captains, two mates, and five sailors, belonging to the vessels *Snow Squall*, *Mondamon*, and *Ocean*, captured and burned by the *Florida*.

The Queen of Spain has passed a decree promoting all the officers of her army, so as to receive their favor.

The health of Havana could not be better.

On the 4th a committee of influential persons called at the palace to ask, through General Dulce, of the Queen, that all negroes born after January 1, 1865, shall be declared free at the expiration of twenty-four years; to receive during the last four years a salary of $8·00 per month, and a portion of this to be retained till their freedom is accomplished.

PHILADELPHIA TRADE REPORT.

WEDNESDAY, November 9.—Holders of Quercitron Bark are firm in their demands, but the market is poorly supplied. We quote at $45 ℔ ton.

Cotton is held firmly at $1·30@1·31. No sales have been reported.

The inactivity which has pervaded the Flour Market for several days past still continues, with but little prospect of any change. The receipts have been scanty, and both buyers and sellers are apart in their views. The demand for export is exceedingly light, and no sales of any magnitude have been reported. The transactions have been confined to the supply of the home trade at from $10 to 10·25 for superfine, up to $13 for extra family and fancy brands, as to quality. The market is poorly supplied with Rye Flour and Corn Meal, and there is nothing doing to fix quotations.

The extremely limited receipts of Wheat have had a tendency to somewhat checked the demand, and no sales have been reported to several days past. We continue to quote Pennsylvania red at $2·55@2·60, and Southern do. a $1·65; White ranges from $2·75 to $2·85. Rye is quiet, and ranges from $1·70 to $1·72. There is very little Corn here; a sale of 1200 bushels yellow is reported at $1·75. Oats are in demand at 88c. No movement in Barley or Malt.

Whisky is but little inquired after; sales of Ohio are making at $1·77@1·78; Pennsylvania at $1·77; and Drudge at $1·75.

Defense, that he was told to proceed with the work, but did not do it. On trial.

DISTRICT COURT—Judge Stroud.—Frederick Horstmann, assignee of John P. Parsons, who was assignee of Augustus C. Miller. An action on a mortgage. Verdict for defendant.

COURT OF QUARTER SESSIONS—Judge Thompson.—Edward Layton was being tried this morning for assault and battery, in driving over an one-armed soldier named Peter Wilkinson, at or near Sixth and Market streets. Wilkinson testified that the defendant was driving at a furious rate, and before it was possible to get out of the way was thrown down and driven over by the wheels. Jury out.

CITY INTELLIGENCE.

STATE OF THERMOMETER TO-DAY.—Six A. M., 63. Noon, 68. 1 P. M., 69. Wind, S. W.

A FITTING TESTIMONIAL.—The following letter was recently received at the Volunteer Refreshment Saloon. It is from a Rebel prisoner, who was taken in charge by the Saloon, contrary to their general custom, and who has received his health beneath their careful nursing. He intends at once to enlist in the Navy, and fight for the old flag. We publish his letter in full, omitting only the names of the benefactors, at their request.

SIR:—I desire, through you, to tender my unfeigned and heartfelt gratitude to the Committee, for the unremitting care and attention paid me while lying very sick in your hospital. Now I can say sincerely, that *if there was a spark of prejudice or disloyalty to the glorious star-spangled banner* left in my bosom upon arriving in this city, it has been totally and forever extinguished by the unprecedented generosity of your noble institution.

Yes, the scales have completely dropped from my eyes, and I can now see how base and false were the arguments used by Southern fanatics to fire our hearts with enmity against our friends—I might say benefactors—of the North. I for one am ready to bare my bosom to the storm, if by so doing I could strengthen the bulwark of opposition to the national enemy, even though I should sacrifice my dearest friend, or die in defense of the *old flag*. I could write a volume in praise of the Union Volunteer Refreshment Saloon, but let what I have said attest my high appreciation of the noblest institution that humanity ever suggested.

Yours, sincerely, JOHN W. R. CATO.

HEAVY ROBBERY.—This morning, at an early hour, the clothing store of Messrs. Cahn & Haas, No. 526 Market street, was robbed of ready-made clothing to the value of about $3000. It is not yet positively known how the thieves effected an entrance, as the store was found fastened as usual this morning. Wagons must have been used to carry off such a large quantity of goods.

SOLDIERS' VOTE AT FORT MIFFLIN.—The vote at Fort Mifflin, yesterday, was as follows:—Lincoln, 33; McClellan, 17. Out of six commissioned officers, but one voted the Democratic ticket.

In the Tenth Precinct of the Twentieth Ward, Thirty-second and Thompson streets, as soon as the polls were closed, an attack was made on the police force stationed to preserve the public peace. Stones and other missiles were freely used, but fortunately no one was seriously hurt.

ILLEGAL VOTING.

During the day a number of arrests were made for illegal voting, and, strange to say, all were engaged in voting the Copperhead ticket. Among those arrested upon this charge were the following:—

James Toffles was arrested in the Twenty-fourth Ward, and held by Alderman Miller.

Thomas Tobin was arrested in the Fifth Ward, and committed by Alderman Dougherty in default of $1000.

Dennis Mackey and Enos Bateman were arrested at Second and Carpenter streets, and held by Alderman Carter.

Some of those arrested for this offense attempted to exercise the elective franchise right in two different places. Others were from foreign States, and not entitled to a vote.

A PERSISTENT JUDGE.

Jacob Myers, one of the judges of the Sixth Precinct of the Sixteenth Ward, was arrested yesterday upon the charge of refusing to take a soldier's vote by proxy, on the ground that the man who presented it did not reside in that precinct. As soon as the vote was refused the case was submitted to District Att
