MAGNIFICENT GROUNDS AND RESIDENCE ON THE GRAND BOULEVARD AND HUDSON RIVER.
A. J. BLEECKER, SON & CO. will sell at auction, on
Tuesday, the 7th of May, at 12 o'clock, at the Exchange Salesroom, 111 Broadway, New York, the splendid Property on the Hudson River, between 135th and 137th streets, comprising about 80 city lots and the fine house and outbuildings situated thereon, probably the most desirable property as a present residence for the man of wealth and for future speculation now in the real estate market. For magnificence of prospect up the river and in all surroundings it is not surpassed, if equalled, in this country. The grounds are laid out with great taste and contain everything in the way of shrubbery to be found in this latitude. The house, standing high, has a superb view for 25 miles up the river, which, from the locality of the property, can never be obstructed by any adjacent improvements. It has a perfect panoramic view from every window; it contains all modern conveniences, Croton water, gas, &c. In front are lovely lawns, and in the rear are beautiful shade trees and garden. The whole has an extensive water front on the Hudson, with its rights and privileges. By railroad it is only about 50 minutes from Wall street, or, if preferred, it is a beautiful drive through the Central Park. It is only a mile and a half from the centre of our city. The Grand Boulevard, which is adding so much to the attractiveness and value of property on its line, is finished far beyond this magnificent estate.
It will be sold in one parcel, on the most favorable terms. Nearly all the purchase money can remain on bond and mortgage if desired.
