To increase the already large sales in zephyr goods, and to make his store still more popular, Mr. Finn has greatly reduced his prices.

50 and 75 cents per pair for an odd lot of Slippers costing three times the price; 80 cent Slippers, fine, new goods; $1 Slippers, formerly sold for $1·50; Tufted flowers and animal Slippers. Cushions, one lot half original cost; $1·20, $1·30, $1·50 Embroidered Cushions, fine bright designs, selling very rapidly.

The wonderful popularity the ten cent Zephyr has attained is surprising. Mr. Finn is taxed to keep his supply equal to the demand. Ladies are using it for nearly every knitting purpose imaginable, such as afghans, shawls, caps, etc. It is the cleanest-washed and most beautifully-dyed Zephyr in the market. Mr. Finn has also a very large assortment of Stocking Yarns.

WILBOR'S COD LIVER OIL AND LIME.—Persons who have been taking Cod Liver Oil will be pleased to learn that Dr. Wilbor has succeeded, from directions of several professional gentlemen, in combining the pure oil and lime in such a manner that it is pleasant to the taste, and its effect in lung complaints are truly wonderful. Very many persons whose cases were pronounced hopeless and who had taken the clear oil for a long time without marked effect, have been entirely cured by using this preparation. Be sure and get the genuine. Manufactured only by A. B. WILBOR, Chemist, No. 166 Court street, Boston. Sold by all druggists.

A REPORT is current that the Girard Tube Works and Iron Company have sustained a total loss of their property by fire. We are requested to state that the fire did not reach the pipe mill, and that that part of the works of the company is now in full operation.

PROVIDENT
Life and Trust Co.
OF PHILADELPHIA,
No 111 South FOURTH Street.

The dividend received by a policy-holder is the difference between the *actual cost* of insurance and the premium paid. This company is expressly required by its charter to divide every dollar of surplus thus arising among its policy-holders. It is therefore purely mutual.

The New York report for 1870 shows that the assets of this company are in the proportion of $1·50 to every $1 of liabilities, thus insuring perfect reliability.

It has received the approbation of the most learned actuaries, and is endorsed and recommended by many of the most prominent scientific and public men in the United States. An institution of a similar kind in England, the Friends' Provident Institution, has been wonderfully successful.

Its advantages in every respect, both as to safety, cheapness, terms of policies, etc., are not excelled. The prudent and economical management of its business, combined with the remarkable average longevity of its members, commends it to the confidence and favor of all classes of whatever denomination.

THE ATLANTIC MONTHLY.

"The thirteen years in which the 'Atlantic Monthly' has been our 'guide, philosopher, and friend' introduce us to the twenty-seventh volume with pleasant anticipations which the January number realizes to the fullest. High as our expectations are always rated of each succeeding number of the 'Atlantic,' that which comes upon us in the full glow of the holiday season is worthy of the time and of its reputation, and as heartily satisfactory as the most exacting reader can wish, both in variety and in quality."—*Boston Post.*
