DR. SEELYE'S LIQUID CATARRH REMEDY.

Cure Warranted,

IF DIRECTIONS ARE FOLLOWED.

CALL FOR A CIRCULAR DESCRIBING ALL SYMPTOMS.

SYMPTOMS:

The symptoms of Catarrh, as they generally appear, are at first very slight. Persons find they have a cold, that they have frequent attacks, and are more sensitive to the change of temperature. In this condition, the nose may be dry, or a slight discharge, thin and acrid, afterwards becoming thick and adhesive. As the disease becomes chronic the discharge are increased in quantity and changed in quality; they are now thick and heavy and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice is thick and nasal; the eyes are weak; the sense of the smell is impaired or destroyed; deafness frequently takes place. Another common and important symptom of Catarrh is, that the person is obliged to clear his throat in the morning of a thick or slimy mucus, which has fallen down from the head during the night. When this takes place the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it. *The above are but few of the many Catarrh symptoms.*

A single Bottle will last a Month—is to be used three times a Day.

DAILY LEADER.

Intercepted Letter of John A. Campbell—His Views on Peace Last September.

CONFEDERATE STATES OF AMERICA, WAR DEPARTMENT, RICHMOND, VA., September, 12, 1864.

DEAR SIR:—Your letter of the 31st inst. was received to-day. Your appointment has been made, and the commission sent to Madison, Georgia. It is difficult to form any opinion as to prospects before us. It is very apparent that the people in both sections of the late Union earnestly desire peace, and that the principal difficulty lies in the settlement of the terms. The sentiment of the Northern people in favor of a restoration of the Union has been constantly growing, especially among the better classes of the population. They have discovered that alone they will be the victims of a turbulent Democracy, who have no control over themselves, and will exact no responsibility from their leaders as rulers. They are not willing to rely upon their own capacity to govern themselves. With Union this class would make peace on any terms, and would modify their Constitution to meet our views. But this is not the governing class at the North, and I do not see that any modification of their Constitution can be made nor how any guarantee can be given. Any peace on the terms of Union will have to be made on the terms of their present Union. No administration at the North can offer more or could fulfill any agreement to do more. The issue, therefore, that is presented to us, is to return to the conditions of 1860, or independence. In my judgment all discussion of the question in any other form is a useless, if not a pernicious discussion. I do not think that any considerable party at the North is prepared to adopt the alternative we propose, and no considerable party at the South is prepared to adopt the alternative proposed by our enemies. I am not, therefore, yet hopeful of peace. But events seem to be hastening onward toward a termination of the war, and in the termination of the war a solution of the terms of settlement must take place. I do not venture to predict what that settlement will be. A civil commotion at the North—defeats of our armies—defeats of the northern armies—will affect these. None can decide when any of these events may occur. I fear that my answer will not be very satisfactory. But I cannot reduce the question of peace to the category of the "How"

Respectfully yours,
J. A. CAMPBELL.

MEDICAL SUCCESS EXTRAORDINARY.

100 DOLLARS PREMIUM! SEMINAL WEAKNESS, Or Spermatorrhœa, Gleet, &c., and IMPOTENCY CURED, AFTER ALL OTHER TREATMENT FAILS, DR. A. GIBSON,

Formerly of New York City, will pay one hundred dollars for the proof that he ever fails to cure the above named diseases. He will pay the same sum for the proof that any other Physician in the United States treats the same diseases with equal success.

After many years of laborious study and experience, Dr. Gibson is happy in being able to announce to the unfortunate, that he has perfected a system of treatment for

THE SPEEDY AND PERMANENT CURE of the above, and also all contagious diseases of the Reproductive Organs, with all bad effects arising therefrom, including General

DEBILITY OR NERVOUS PROSTRATION.

He has succeeded in curing cases in this city, some of whom had expended hundreds of dollars with self-styled physicians, who profess to treat all private maladies with success, and without receiving the least particle of benefit.

Dr. Gibson does not boast that he is a member of some College in London or Paris, as perhaps some others do for the purpose of ensnaring the innocent, and who hold out great expectations never to be realized. But what Dr. G. might boast of is this, that he is able to give entire satisfaction to those who repose confidence in his ability and integrity, and that he has perfected an American system of treatment which challenges any Physician of London or Paris, or any patent medicine, to equal for the radical cure of seminal weakness, and all diseases or derangements, both mental and physical, arising from sexual or secret abuse.

Dr. Gibson also claims for his new treatment the following advantages over all others yet discovered: first, the agents used are in no respect disagreeable; he uses no relics of the dark ages, such as Mercury, nor any other deleterious drug; secondly, no exposure or change of diet is necessary; thirdly, his treatment is positive and certain in all cases. He stands prepared to go into any public or private hospital in the United States and demonstrate the immense superiority of his new treatment over any other now known to the world, in point of promptness, permanency, mildness, safety and convenience to the patient.

Dr. Gibson is permanently located in Cleveland, and has during the past five years performed many cures of diseases which had for years resisted all other modes of treatment. Reference can be given to individuals of the first respectability in Cleveland, Boston, New York and other cities, in regard to skill and integrity in all professional transactions. Dyspepsia, Rheumatism, Scrofula, all Diseases of the Urinary Organs, and all Chronic Diseases treated with superior success.
