POINT CLEAR HOTEL—IN VIEW
Unmistakable contrast can be found between Mobile and New Orleans being so remote, we propose to open the above Hotel from the 20th of July.
We can confidently assert that no watering place can offer the guest more of every comfort for comfort at Point Clear. The Salt Bathing has no equal on the coast, and the drives in the vicinity are delicious. A Telegraph Office is in the Hotel, communicating with all parts of the country.
While we must ask the indulgence of guests for any lack of the Bath House, we will be pleased to shall be supplied with all the attractions—the best the market will allow.
