MAYORALTY OF NEW ORLEANS, City Hall, March 4, 1862.

To the Honorable Common Council:

Gentlemen—I herewith transmit a statement addressed to me by D. Kaustell and L. DeGaulles, tenants of the Commission of the Lottery found, accompanying a list of the names of forty-two persons which claim that the rents due to the Hospital of St. Mary's Orphan Asylum. It appears from the statement that the asylum referred to has applied to the Commission for aid, which cannot be granted, inasmuch as the funds in hand accruing from the lottery are nearly exhausted. I have reason to believe that other asylums are in the same predicament of claiming the rents of lottery tenements. The additional expense imposed by the under-ten augmentation of the charges, as laid down in the price of tickets, recently, and the increase of tickets, renders the amount of money appropriated by the State and city to these institutions entirely inadequate for the fulfilment of the benevolent objects to which they are respectively devoted. I, therefore, respectfully place before you the stat. ment of Messrs. Kaustell and DeGaulles, and earnestly call your attention to its contents. In the hope that you will, in your wisdom, devise a remedy for the pressing case to which these gentlemen refer.

Respectfully,

JOHN T. MONROE, Mayor.
