New Orleans Daily Crescent.

FRIDAY MORNING, MARCH 21, 1862.

The Situation.

The weather improved on yesterday, and the whole day was lovely, tempered as it was with pleasant, westerly breezes. Business was a little more active on the levee yesterday than the day previous. The steamers Peytona, Laurel Hill, T. D. Rine and Trent arrived in the morning, with tolerable trips.

MAJOR T. POR LAFOURCHE.—The fast-sailing passenger packet Mary Te Chapa, Capt. Dugas, commander, and Mr. Eugene Jatapic, clerk, leaves at 12 o'clock this day for the above and all intermediate river landings.

TRANSITS, FOR OHIO, MAIL PACKET FOR VICKSBURG AND YAZOO RIVER.—The splendid passenger packet Peytona, Capt. C. M. White, commander, leaves at 5 o'clock this evening, carrying the U. S. mail to Vicksburg. The Peytona made her debut a year ago in the "cracked packet of the river, and holds her own" in every application which goes to make up a first-class packet. She leaves positively at the hour named above.

RUPTURES.

RADICALLY CURED!

Dr. W. S. Mills to the Sufferer of the Vicksburg Daily Sun.

VICKSBURG, Miss. May 8, 1860.

Hernia to be Cured, Without Knife or Confinement.

Mr. Editor:—Knowing you to be a man of right, from the position you occupy, I feel safe in making a statement through your paper, which I have long wished to make, but have been deterred from it for the reason of three years. The boy referred to is John Dunlap, son of Benjamin Dunlap. Two physicians examined his case and pronounced it Scrotal Hernia. As he was too young for a difficult operation, they advised a trial of Dr. J. A. Sherman's celebrated truss, which I purchased, with the understanding that if it did not do the work in six months, I could return it and get my money back. At the end of six months, I was compelled to do so, as it had not done the boy any good. I then sent for Dr. Mills, of Louisville, Ky., who had cured a cousin of mine of a very bad case of Hernia, and he cured my boy in two months. He has now been with us two weeks, and we have had no trouble with the Hernia. I give this statement for the benefit of those who have this disease and for my gratitude to Dr. Mills.

W. T. MILLS, M. D.

Hernia Cured in Twenty Days.

NEW ORLEANS, Feb. 1, 1862.

Dr. Sherman, New Orleans:—Your truss has proved to be all you represented it. I am perfectly cured of the rupture, for which I had to wear a truss for over twelve years. I can now do my work well in every way.

W. P. MILLS, M. D.

Large Index Dr. Tyng, Jr., Hernia is the most eminent Physician in the United States of Mississippi.

Dr. Sherman—Dear Sir: I have the boy with me. I do not know what I should have done if I had not met with your truss. It has done all you promised it would do, and more. I am so glad your plan is right, and that you can put it in practice. Please write me what the cost will be.

THOS. J. HARPER, M. D.

The latter man is a resident in a slave boy about 15 years old, who was ruptured at birth, and who was subsequently strangled worse. The difficulty explains itself.

VICKSBURG, MISS., May 7, 1860.

Dr. Sherman, New Orleans:—

Dear Sir: I have had a boy for some 3 years in my family, who I thought was ruptured beyond all cure. Was unable to walk without his truss, and was very much bowed down. I have had your truss now for some 18 months, and have had no trouble from the rupture. I think it a most valuable invention.

THOS. J. HARPER, M. D.

Dr. SHERMAN'S OPINION.

NEW ORLEANS, Jan. 6, 1862.

Samuel Sherman, Esq.:

Dear Sir: Your truss, Dr. Sherman's Truss, as so styled by the public, is the best I have ever seen, effectually holds the parts, and gives no pain or inconvenience. I know of several cases of Hernia in children, for which I have recommended your truss, and let be sure, Dr. Sherman, cannot supply it, as I can depend upon the fitting.

E. DELDEN, M. D.

Dr. SHERMAN, respectfully informs ruptured persons that he has returned to the city for a few days, and may be found at his office, No. 2037 CHARTRES STREET, where he will be pleased to see his patrons.

Dr. SHERMAN'S TRUSS is the only one in use that will not chafe the parts, and can be worn with perfect ease and comfort. Dr. S. has no other place of business in this city, and does not employ agents. Beware of imposters.
