Monetary and Financial

MEMPHIS DAILY APPEAL OFFICE, SATURDAY, July 19, 1858.

NEW ORLEANS.—From the Delta, July 8: Thursday little to be said on the Money market. The transactions to-day have been on the usual minimal scale. A few struggling pieces of paper were passed at 7 per cent., and some at 8 per cent. In Exchange there were sales of Sixty Days' Sight on New York at ¼ ⅌ cent. discount, and some at 1¼@1½, with some drawers asking 1 and a fraction higher. The counter rate at the banks was ¼@¾ cent, and discount on the street ½@¾ discount. Very little done in foreign Exchange. Some Clear Sterling was sold at 109½, and 109¾ and 109¾. Banks bold at 109⅞@110 in bills with shipping documents course. Good signatures were nominal 107¾@108. French 5.25@5.18¾, and 5.18 @5.12½, the latter for Bank bills at 5 x 10 Days on Paris direct.

NEW YORK.—From the Herald, July 8: The week which has just ended has been one of the very dullest among the many dull weeks of this dreary year. The fact is, the people of the United States have a dread over the shock of last year, and will not do so yet. The merchants who broke last year, and who have since resumed—like those who did not break, but—not satisfied to stop in saving themselves—are in no hurry to run any fresh risks. Among this class of men a trifle who makes any operation at the present time is considered a die hard man. He is its good as ruined. It is vain to look for recovery as yet. Months must elapse before affairs will not recover this new race of men have taken the place of those who were best last year—men who, never having felt a revulsion, do not dread it. Tennessee Stock Six's were selling at 91¾.

BRAGG'S ARCTIC LINIMENT.

THIS incomparable Liniment, upon which the great mass of the afflicted of all lands now rely for relief from the pangs of Rheumatism, Neuralgia, Gout, Erysipelas, Caked Breasts, Sprains, Bruises, Burns, Scalds, and all cutaneous diseases, is rapidly supersoiling all similar preparations. The proprietors give for the encouragement of sufferers, the following testimonial of a few of the wonderful cures effected by it during the past few months. Certificates from the parties named are in the possession of the proprietors, but their length precludes the publication of all but a few.

ONE MORE TRIUMPHANT.

Mrs. Mollie, No. 345 Morgan street, St. Louis, having suffered for three years with Rheumatism, and tried many preparations without effect, was cured by one fifty cent bottle of Arctic Liniment.

PITY THE LITTLE CHILDREN.

A little daughter of Mrs Lee, residing on Lake street, Chicago, was scalded all over by the upsetting of a kettle of boiling water. The Arctic Liniment was applied according to direction, and the raw was immediately covered, and in a few days the little sufferer was well.

RESTORED TO BEAUTY.

Mrs. George E. Taylor, Canal street, N. O. had long suffered from a painful and disfiguring erysipelas on her face, and by the use of one bottle of the Liniment was cured, and restored to her original beauty.

A HORRIBLE TUMOR.

Eugene Mallory, Natchez, was three years the victim of a horrible tumor on the neck, rendering life almost useless until he tried the Arctic Liniment. Three bottles cured him in a few weeks.

WONDERFUL CURE!

Mrs. Bedford, Mobile, was confined to her couch for three years with bunch paler, and after being in despair from the failure of all other remedies, was cured by the Arctic Liniment, in a little over a month.

AN EXPLOSION.

MEMPHIS, Tenn., November 26, 1857.

I hereby certify, that having been badly bruised and scalded by the explosion of a steam boiler, I was induced one to try Bragg's Arctic Liniment. The smart was instantly extracted from the scalds, and in a very short time, all the pain was gone from the bruises. In two weeks I was well, and able to resume my business. HENRY HUNTERSHILL.

THE BLIND SEE!

WEBSTER CITY Iowa, November 8, 1857.

DR. BRAGG—Dear Sir: For more than three years I had been afflicted with inflamed eyes, in an aggravated degree, and tried various physicians, and several nostrums, to no effect. I was induced by Dr. Bates to try the Arctic Liniment, and in two months was nearly well. My little daughter was afflicted in the same manner for the same time, and during the same period, I was entirely blind in one eye. I applied your valuable Liniment, and for eyes as most precious to me, I have it, with one two-dollar bottle, cured my daughter's eyes and my own, besides curing the rheumatism in my back. I would not be without your invaluable Liniment for my house. Yours truly, WM RUSSELL.

WEBSTER CITY, Iowa, November 9th, 1857.

I hereby certify that I am well acquainted with William Russell, and with the astonishing cures he mentions and know his statement to be strictly true.

We keep and have kept for a number of years, extensive livery stables in this city, and consequently our experience about horses and their diseases is great, and we unhesitatingly say, that the Arctic Liniment is the only one we have ever found always effective. We cordially recommend it to all livery stable keepers and others having the care of horses. J. A. ARNOT,

Special Notices.

The Stomach

PREPARES the elements of the bile and the blood, and if it does the work tardily and imperfectly, liver and other vexatious diseases are the certain result. As men, therefore, as any efficiency of this kind are perceived, we may rest assured that the digestive organs are out of order. The first and only thing to be done, is to administer a specific which will act directly on the stomach—the main-spring of the animal machinery. For this purpose, we can confidently recommend Dr. HOSTETTER'S CELEBRATED STOMACH BITTERS. Acting as an alternative and a tonic, it strengthens the digestion, changes the condition of the blood, and thereby gives regularity to the bowels.

For sale by Druggists, and dealers generally, everywhere. jy7-dtuawlw

Dislocated Joints,

NEXT in degree to the pain caused by a dislocation, is that arising from the settling of blood around the part, and the effusion of coagulated lymph under the skin. The proper treatment to remove this disagreeable and invariable attendant upon dislocation and bruises, is to apply some powerfully penetrating and diffusive Liniment, with gentle friction, over the part. The best Liniment now in use, for this purpose, is Bragg's "ARCTIC LINIMENT, which may be obtained at any respectable drug store. It is also cooling and soothing in its effect and allays the pain almost immediately.

Bragg's Arctic Liniment is for sale by all respectable Druggists throughout the country. jun30-1w6w

Doctor J White,

IN connection with his Cincinnati Medical Institute, has opened a Branch Office and Depot for the sale of his invaluable Family Medicines, in Memphis, Tenn., on Union street, between Front and Main, where he may be consulted and his remedies dispensed and furnished to physicians, druggists and dealers in medicines on favorable terms.

In the employment of his remedies, the afflicted will quickly learn that they do not depress the system or vital forces; but are constantly renovating the entire organism and building up and giving to the constitution and mind their youthful freshness, stamina and strength.

Some of Dr. J WHITE'S REMEDIES, planters and families, on becoming acquainted with them, can no more think of being without them than they can think of doing without their bread, or meat and potatoes. They are in relieving nearly every kind of disease—all injuries, aches and pains wherever located.

Being NATURE'S REMEDIES, and acting in specific harmony with nature, they are rapidly supersoiling all other remedies, and rapidly
