WORK NEEDED QUICKLY

As a partial contribution to the work which is being so ably carried on by the Emergency Aid Committee, Society for Organized Charity and Juvenile Workers' Bureau, in securing employment for needy, deserving men and women, the Public Ledger and Evening Ledger open two columns to the FREE USE of the Employment Branches of these organizations.

Here you will find listed from day to day brief stories of specific cases that have been investigated by them and found to be worthy and particularly urgent cases. The persons listed are out of employment through no fault of their own. Applications from drinkers and incompetent or untrustworthy individuals are not recommended by the investigations, but are provided for by the Immediate Relief Division. Employers seeking reliable, experienced men and women can, therefore, employ the men and women listed with the assurance that they are helping deserving workers who only ask for a chance to help themselves. They do not want charity. They want and must have immediate employment. Will you create a job for a few of these who can fit into your organization? If you will do your share, this great problem will be quickly solved.
