ANOTHER ATTACK ON LUMBER TRUST BY GOVERNMENT

Open Violations of Sherman Law Charged in Fifth Suit to Break Big Combination.

ST. PAUL, Minn., Oct. 24.—The Government's fifth suit in its fight to break up the Lumber Trust was begun in the United States Court here to-day. It is directed against the following:

The Northwestern Lumbermen's Association, the Lumber Secretaries' Bureau of Information, an Illinois corporation already under fire in another suit against the trust brought in Colorado. Luke W. Boyce, owner of a private detective agency at Minneapolis, Minn., who is charged with spying upon independent lumber dealers who are said to have violated the trade "ethics" laid down by the alleged trust; the Lumberman Publishing Company, a Minneapolis corporation, which issues the Mississippi Valley Lumberman, a trade journal which the Government charges has been the organ of the trust in that section.

Platt B. Walker of Minneapolis, editor of that paper, is made a defendant as are also the following members, officers or directors in the Northwestern Lumberman's Association; W. R. Wood, Parker, S. D.; Charles Webster, Waucoma, Iowa; Willard G. Hollis, Minneapolis; George F. Thompson, C. M. Porter, Oskaloosa, Iowa; E. G. Flin, Minneapolis; O. M. Botsford, Winona, Minn.; W. D. Day, Dubuque, Iowa; M. T. McMahon, Fergus Falls, Minn.; C. A. Fiskbine, Des Moines, and John W. Barry, Cedar Rapids, Ia.

As in similar suits now pending against the Eastern States Retail Lumber Dealers' Association; the Michigan Retail Lumber Dealers' Association; the Colorado and Wyoming Lumber Dealers' Association and the Lumber Secretaries' Bureau of Information, fourteen members of the latter organization being under criminal indictments charged with violations of the Sherman Anti-Trust law, the Government alleges that the lumber trade has been unreasonably restrained by illegal agreements and understandings which prevent the consumer from buying of whom and where he will; which absolutely forbid competition for trade and which have divided the country into non-competitive territories.

It is also alleged that names of lumbermen who have violated the "ethics" have been published to the trade in the Mississippi Valley Lumberman.

The bill alleges many acts in pursuance to an alleged conspiracy covering several years and that some of them were perpetuated and in form ceased several years ago, but each act is alleged to have been part of a carefully devised plan by which first one restriction and then another was fastened upon the lumber trade, and when once fixed was to all appearances abandoned and substituted with one less iniquitous.

The Government asks injunctions restraining all the defendants from continuing the acts of which complaint is made. The suit is in direct charge of Clark McKeecher, special assistant to Attorney-General Wickersham.
