IT'S THE SHACKLE, NOW WOMAN CAN WALK IN HOBBLE

New Style, Without Style, Will Hug Figure to Knee, With Slit Above Ankle.

Fashion has evolved the "shackle gown," a vey much exaggerated form of the hobble, with neither shape nor style. The National Ladies' Tailors and Dressmakers' Association held the first session of it convention yesterday, and new styles were decided upon by secret ballot, the answer not to be made public until Saturday night. But a big majority of the voters favored the "shackle gown," and they were not backward in expressing their opinion.

M. J. Flam of New York is the instigator of the new style, and, judging by applause, he voiced the opinion of every one present when he said:

"I am tired of having my women customers tell me that the suits I have just made for them are exactly like the ones I made last week. We must have something different for the coming year.

The "shackle" will be made to fit the figure exactly, hugging it straight down to the knee. Half way between the knee and the ankle there will be a slit, filled with heavy Russian lace. From the prospectus, it would seem to be a combination of the hobble, the sheath and the pleated skirt.

Topping this remarkable gown there is to be a three-quarter-length coat, reaching to the knees. It will differ from last year by introducing a waist line. The "saddle back" is the name, and it will be made Empire, with what is commonly termed a "baby waist." It will not be gathered, but pulled down straight. But, unlike the skirt, the new coat will be loose, and will allow perfect freedom of the arms. The sleeves will be perfectly tight, coming half way between the elbow and the wrist. The cuffs will be edged with heavy Russian lace, put on after the fashion of the brocaded coats of men in the eighteenth century.

SENDS TAFT $2 BILL.

WASHINGTON, June 28.—A laborer in Kittery, Me., who for more than a year has been sending monthly contributions to the Federal Treasury, has sent to President Taft a two-dollar bill, for deposit in the Conscience Fund.

"I am sorry to keep troubling you in this manner," he wrote, "but I am anxious that all money shall reach its proper destination, as it is close work saving it."

WHERE DOCTORS FAILED TO HELP

Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.

Covington, Mo.—"Your medicine has done me more good than all the doctors' medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."—Mrs. Jennie Green, Covington, Mo.

How Mrs. Cline Avoided Operation

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation.

"I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon.

"Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles.

"I am now in a great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. Cline, S. Main St., Brownsville, Ind.
