PARIS PLANS TO MAKE GERMANS PAY RENTALS DESPITE MORATORIUM.

PARIS, Sept. 24.—The conditions of the moratorium provide that proprietors cannot force tenants to pay rent. This applies to all people, regardless of nationality, and many German and Austrian tenants are profiting as a consequence.

A movement is on foot to induce the Government to modify this decree before the quarter beginning Oct. 3, so that tenants who are citizens of nations which are at war with France will have to pay or vacate their houses.
