SUNDAY WORLD WANTS WORK WONDERS

ACTOR ROBBED OF $1,930.

Knotted Handkerchief Used by Hold-up Men at Mr Cohan's Apartment.

Harry E. McKee, forty-five, an actor of No. 501 West Forty-sixth Street, was robbed early to-day of $1,930 worth of jewelry and $65 in cash by three men who jumped from a taxicab and grabbed him as he was entering the door of the apartment house where he lives.

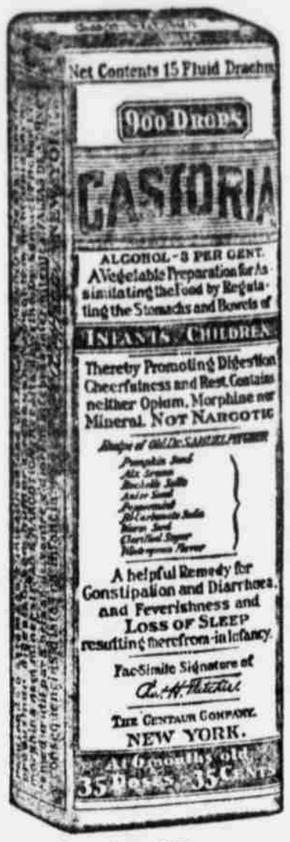
Mr. McKee had been rehearsing at the Gaiety Theatre. As he was unlocking the door of his home he heard some one coming up the stairs. Suddenly he was grabbed from behind and slipped into handkerchiefs. When he recovered he reported the robbery to the police.

Honest Advertising.

THIS is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Imitations are to be found in some stores and only because of the Castoria that Mr. Fletcher created. But it is not the genuine Castoria that Mr. Fletcher Honestly advertised, Honestly placed before the public and from which he Honestly expects to receive his reward.



Exact Copy of Wrapper.

Children Cry For Fletcher's CASTORIA

Extracts from Letters by Grateful Parents to Chas. H. Fletcher.

Mrs. John W. Derrick, of Lexington, S. C., says: "My children cry for Castoria, I could not do without it."

Mr. and Mrs. J. A. Gaines, of Ripley, Tenn., say: "We enclose our baby's picture hoping it will induce some poor tired mothers to give your Castoria a trial. We have used it since baby was two weeks old."

Mrs. J. G. Parman, of Nashville, Tenn., says: "The perfect health of my baby is due to your Castoria—the first and only medicine he has taken. He is never satisfied with one dose, he always cries for more."

Mr. and Mrs. A. L. Johnson, of Stevens Point, Wis., say: "When our baby was two weeks old he cried so much we did everything for him, then got some Castoria and he is now strong and fat. We would not be without it, and are ever thankful to you."

GENUINE CASTORIA ALWAYS BEARS the Signature of Chas. H. Fletcher.
