BE IT KNOWN that on this seventeenth day of June, in the year of our Lord one thousand eight hundred and sixty-eight, and of the Independence of the United States of America the ninety-second, Before me, ANDREW HERO, Jr., a Notary Public, in and for the parish and city of New Orleans, State of Louisiana, duly commissioned and qualified, and in the presence of the witnesses hereinafter named and undersigned, personally came and appeared the parties whose names are hereunto subscribed, who severally declared that, availing themselves of the provisions of the statutes of the State of Louisiana, relative to the organization of corporations for works of public improvement and utility, they have covenanted and agreed, and do by these presents covenant, agree and bind themselves, and those whom they represent, to form themselves into and constitute a Corporation for the objects and purposes and under the stipulations and regulations following, viz:

ARTICLE FIRST.

The name and title of said Corporation shall be THE UNITED STATES NAVIGATION IMPROVEMENT COMPANY, and the domicil thereof shall be the city of New Orleans, State of Louisiana.

ARTICLE SECOND.

The objects and purposes of said Corporation are the removal of the bars and the protection of the levees of the Mississippi and other rivers; the permanent deepening of the channels of rivers and the removal of tidal bars, as also the formation of solid marine foundations for lighthouses and other structures on quicksands or marshy soils, by the use and application of Manieo's "Caisson de Fer," or improvement in marine foundations, for which a patent has been granted to Edward Manieo by the Kingdom of Great Britain and by the United States of America, and of such other means, machinery, apparatus and improvements as may hereafter be discovered, invented or constructed, and of which the said Corporation may acquire the right of using and working.

The President of the Board of Directors of said Company shall be the officer on whom citation may be served.

ARTICLE THIRD.

The Capital Stock of this Corporation is hereby fixed at the sum of FIVE MILLION DOLLARS, represented by Twenty Thousand Shares of Two hundred and Fifty Dollars each, of which one half, viz: Ten Thousand Shares, are reserved and set apart for the purposes expressed in the following article. The other one-half or Ten Thousand Shares, shall be subscribed and paid for at the times and in the manner following, to-wit: The subscribers to the said shares shall pay into the hands of the President, upon the Company's organization for business, twenty-five dollars on each and every share of stock subscribed by them; of the remaining two hundred and twenty-five dollars, on each and every share the shall be paid in at the office of and to the said Company five successive installments of Twelve Dollars Fifty Cents per share, once in every four months, after thirty days public notice shall have been given of each such call, by the Board of Directors, in one or more newspapers published in the city of New Orleans. And the residue of the amount of each share, viz: One Hundred and Sixty-two Dollars Fifty Cents shall be payable on demand, at the office of said Company, after three years from the date of the said Company's organization for business, upon thirty days notice, as the Board of Directors may require.

No call shall at any one time be made for more than Twelve Dollars Fifty Cents per share, after the payment of the first installment of ten per cent; and each and every stockholder, after the payment of said first installment, may discharge himself or herself from all further liability for the remaining installments by so declaring at the office of said Company, at any time, and returning to the said Company his stock, or the receipt for such installments as may have been paid. In which such case, as well as in case of failure of any stockholder to make such payments as may be called for, such stockholder or stockholders shall forfeit all payments made on the shares shown by him or her or them, and such stock shall revert to the said Company for its use and benefit, and may be either retained or resold.

ARTICLE FOURTH.

The Ten Thousand Shares, or one half of the Capital Stock, reserved and set apart in the foregoing article, shall belong to John P. ARTICLE SIXTH.

The Board of Directors shall appoint a Secretary and all such Clerks and Agents as may be necessary, may remove the same at pleasure, fix the salaries of all officers of the Corporation and the amount of security that shall be required from any of said officers and agents, and shall make and establish such by-laws for the proper management and regulation of the affairs of the said Corporation as may be necessary and proper. A majority of the said Board shall be necessary to form a quorum, as also to elect any officer thereof; and the said Board shall also have the power to fill any vacancies that may occur therein, by death, absence or resignation, or any other cause.

ARTICLE SEVENTH.

Each shareholder, at all meetings for the election of Directors or other purposes, shall be entitled directly or by proxy to one vote on each share of stock held by him.

ARTICLE EIGHTH.

ARTICLE NINTH.

This Corporation shall be, and continue for, and during the term of twenty-five years, from and after the date of these presents, and may organize for business as soon as two-thirds of its capital stock shall have been subscribed for.

ARTICLE ELEVENTH.

The Board of Directors may accept provisionally any power or privilege conferred on the Association by any amendments of the law under which the same is formed, or by the adoption of any new act of the legislature or by any act of Congress of the United States of America; but the final acceptance of any such power or privilege shall be determined by a vote of a majority in amount of the Stockholders.

ARTICLE TWELFTH.

The liquidation of the affairs of said Corporation at the termination of its charter, or if sooner determined upon by its stockholders, shall be conducted by three stockholders duly elected by a majority in amount of the Stockholders at a meeting convened for that purpose, after sixty days' previous notice in two newspapers published in New Orleans. The period of liquidation and the amount of their compensation, as also all other privileges to be conferred upon said liquidators, shall be fixed in such manner as the said Stockholders may at such general meeting determine.

ARTICLE THIRTEENTH.

The names of the Stockholders, their residences, and the respective number of shares held by each are for the present declared to be such as are subscribed to this act, and opposite the names of each respectively.

Thus done and passed in my office, at New Orleans aforesaid in the presence of Messrs. James Graham and George Cenas, witnesses of lawful age, domiciliated in this city, who hereunto sign their names with the parties and me, the said notary, on the day and date aforesaid.
