Resinol

stops itching *instantly!*

The moment that Resinol Ointment touches itching skin the itching usually stops and healing begins. That is why doctors have prescribed it so successfully for many years even in severe cases of eczema, ringworm, rashes, and many other tormenting, disfiguring skin diseases. Aided by warm baths with Resinol Soap, Resinol Ointment makes a sick skin or scalp healthy, quickly, easily and at little cost.

Resinol Ointment is so easily distributed that it can be used on exposed surfaces without arousing suspicion. Contains nothing that could irritate the tender skin. Resinol Ointment and Resinol Soap are sold by all druggists. Resinol Ointment comes in two sizes, five and fifty cents, never in bulk. *The large size holds more than three times.*

EAT LESS MEAT AND TAKE SALTS IF KIDNEYS HURT

Says a tablespoonful of Salts flushes Kidneys, stopping Backache.

Meat forms Uric Acid, which excites Kidneys and Weakens Bladder.

Eating meat regularly eventually produces kidney trouble in some form or other, uremia will be an sufficiently frequent cause to mention, and bladder weakness, sciatica, backache and many other kidney troubles. You need not expect to escape them if you eat meat and drink coffee, tea, beer or wine. Uric acid is the cause. It clogs the kidneys, causes terrible headaches and makes the kidney region ache. Then comes irritation, bladder troubles, sleeplessness, nervousness, indigestion, constipation, torpid liver, stomach troubles, rheumatism, gravel, dropsy, and many other serious ailments. Drink plenty of water. Get from any good pharmacy a few ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity, also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure any one; makes a delicious effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease. Adv.
