You Need not Wait 'Til Sunday---Journal Want-Ads Work All the Time

Another Cash Prize Contest

The ANSWERS To

WHY is THE JOURNAL the Unexcelled Want Advertising Medium of the Northwest?

Replies have flooded THE JOURNAL WANT AD EDITOR, all testifying to the splendid results received from Journal Want Ads.

The judges have decided on three answers which are to receive the cash prizes amounting to $10. The winners in the first contest will receive their checks by mail Sept. 1.

The judges after reading the large number of replies, found so many worthy of mention, that they suggested the selection and publication of thirteen of the answers together with others, and the making of this contest more interesting by giving the public an opportunity to pick out from the lot thirteen answers decided upon.

The Journal offers NINE additional cash prizes, $30.00 in all, to the persons making the nearest guess to the thirteen answers, in the order that they were selected by the judges. Twenty-six of the many answers received will be published during the month of August, and from these the thirteen are to be selected. The person making the nearest guess will receive $15; the second nearest, $5; the third, $3; the fourth, $2; and the next five, $1 each.

In case of two or more persons making nearest guess to first, second, third, etc., the prize will be equally divided between them.

Each answer will have a printed number for the convenience of the guesser, so it will not be necessary to write out the entire answers.

Simply send in the thirteen numbers from the twenty-six submitted arranged in the order you think they should go.

Be sure you read them all and wait till all twenty-six have been published before sending in your guess. Address your guess to THE JOURNAL WANT AD EDITOR.

Number 14.

To the Journal Editor:—

Journal want ads have always brought me better returns than any other paper, why should I not regard it the best want ad medium?

It enters the best homes, has the largest circulation—read by best classes in the city and country and those who have most money to spend.

It represents no particular class—rich or poor—is fair to all and to be without The Journal is as being lost.
