## FOR SALE—MISCELLANEOUS

PIANO CREDIT BILL NOTICE.
During the past month we have been conducting a word contest and have issued a large number of credit bills, some of which will doubtless be offered for sale in these columns by people who already have pianos, and for the guidance and protection of the public we submit the following: Credit bills honored only at the warerooms of the W. W. Kimball Co., Minneapolis or St. Paul, where they will apply as part purchase price on any new Kimball piano at regular marked retail price. Not more than one credit bill can be applied on the same piano, nor can they be applied on accounts now running with us. Transfer of credit bill must be made in person at our office and properly endorsed by the sales manager. We would particularly warn you against misleading ads inserted in these columns, in an endeavor to depreciate the value of these credit bills. To any one desiring to purchase a piano, they mean just so much money.
