## Rhode Island—Sheriff Arrested.

Correspondence of The Tribune.

PROVIDENCE, May 6, 1842.

Burrington Anthony, Sheriff of this County under the "People's Constitution," was this day arrested. He was not arrested for treason, there not being evidence that he had actually attempted to exercise the office of Sheriff, but for having knowingly suffered his name to be used as a candidate, and declaring that he would serve if elected. The penalty for this is imprisonment for one year and two thousand dollars fine. He had stated just before his arrest, it is said, that he would neither give bail nor go to prison, but would contest the validity of the law and dispute the right of any officer to act under the old Charter; it is said, too, that he had declared his determination to arrest Gov. King on his return from Newport this afternoon! This excited very great indignation, although no reasonable man could suppose that he would attempt such a thing. When arraigned he pleaded *not guilty*, but the evidence being conclusive, he was held to bail in the sum of $4 000, which he readily obtained. A procession headed by three military companies is now forming to go down to the wharf and escort Gov. King to his quarters, on his arrival from Newport.

Immediately before the arrest of Mr. Anthony, a large crowd of both parties assembled around the office of Justice Bowen, where the examination was held; and for a little while things began to look serious, but it all passed off without any outbreak. Orders have issued to the volunteer companies of the Suffrage party to meet, and some of them are probably under arms; a few men from the country are said to have come in armed, but I have no fear of any disturbance today. There will be about three hundred bayonets in Gov. King's escort, and the pieces of the Marine Artillery are out and mounted. These will preserve order, even should a disturbance be made, which I repeat I do not contemplate.—The Government deserves great credit for the prudence and firmness with which it has acted and is acting.

JOSEPH GILLOTT, Pen Manufacturer TO THE QUEEN.—CAUTION.—The high character of these Pens has induced the attempt, on the part of several disreputable makers, to practice a fraud not only upon Mr. Gillott, but also upon the public. An inferior article, bearing the misspelled name, thus, Gillot, omitting the final t, is now in the market. It can readily be detected by its unfinished appearance, and the very common style in which it is put up.

Observe, the genuine Pens are all marked in full—"Joseph Gillott's Patent," or "Joseph Gillott, warranted;" and that each gross bears a fac simile of his signature.

MOTT'S PATENT AGRICULTURIST'S FURNACE AND BOILERS.—The subscriber having re-built his Foundry, (the former one with most of his patterns having been destroyed by fire in February,) is again prepared to execute orders for his invaluable Furnace. In making new patterns, the different sizes are classified by the number of gallons the boiler contains, in lieu of by the barrel, as heretofore. They will cost very much from, and the prices will be as follows: hf bbls or 15 gallons, $11; one bbl or 30 gallons, $18; common 1½ bbl or 40 gallons, $21; extra 1½ bbl or 50 gallons, $24; two bbls or 60 gallons, $28; common three bbl or 80 gallons, $35; three and a half bbl or 100 gallons, $41; four bbl or 120 gallons, $48; 5 bbl or 150 gallons, $55;—nine sizes. Planters or Farmers, by enclosing the amount by mail in bills of any specie paying bank, can have either of the above shipped as they may direct. All letters must be post paid. Address J. L. MOTT,
264 Water-street, New-York.

P. S.—Those who yet prefer setting in brick, can be furnished with cabirons, of either of the above sizes, which may be hereafter fitted with the iron Furnace, should the brick setting be abandoned. a8 eod1m

RED or GRAY HAIR may be changed to a beautiful auburn or jet black in two or three hours, by using a bottle of the celebrated Italian Dye. It has justly obtained a reputation far surpassing all others now in use, and may be used without the least injury either to the hair or skin. Heretofore the difficulty of procuring a suitable article for coloring the hair has deterred many from attempting it. But now this difficulty is removed, as all who have used the Italian Dye have borne willing testimony of its efficacy. For sale by A B Sands & Co, 275 Broadway, corner of Chambers-st; A B & D Sands, 79 Fulton, corner of Gold-st and 100 Fulton, corner of William-st; and Sands & Co, 77 East Broadway. a19 1m
