MUTUAL INSURANCE.—On Dwelling Houses and Furniture only, profits returned to the Assured. THE HOUSEHOLDER'S MUTUAL INSURANCE COMPANY, Office 46 Wall st., for separating the insurance of Dwelling Houses and Furniture from that of Stores and Merchandise.
It is well known that almost all the losses incurred in the business of insurance, are the result of the burning of valuable stores and costly goods.
This increases the expense of insurance to the household, and may possibly deprive him of the very security for which he pays his premium.
The cash payments or premiums form a fund, which, after paying expenses and losses, is represented by scrip, and is issued to the assured in proportion to the amount of their insurance.
This Company is prepared to insure against loss or damage by fire, Dwelling Houses, occupied in whole or in part as such, Household Furniture and all Household Property ordinarily kept in dwelling houses. Every person insuring with this Company is entitled to one vote for each hundred dollars insured.

DANDRUFF or Loss of Hair is caused by a languid or obstructed circulation in the small vessels which supply the scalp and hair with nourishment, in consequence of which the perspiration becomes thick and clammy, and dries on the surface, forming a crust called dandruff, which clogs up the pores of the skin and by its pressure against the roots of the hair prevents it from receiving sufficient nourishment to retain vitality. The hair then becomes harsh and unpleasant, changes color and falls off. The best remedy for this disease is Cantrell's and effectually cured by Jayne's Hair Tonic, which revives the dormant powers of the surface vessels, removes the dandruff, and produces a new and healthy growth of hair to supply the place and baldness is prevented or removed where it already exists.
The following certificate is selected, which sufficiently proves its extraordinary virtues:
Messrs. A. B. & D. Sands: Gentlemen—As an act of justice to you and Dr. Jayne, I send you this certificate to inform you of the invaluable benefit my wife has received from the use of Dr. Jayne's Hair Tonic. She lost not only her entire head of hair, but her eyebrows also, and after trying various remedies with no benefit, she used Dr. Jayne's Hair Tonic. She used two bottles before we could discover the hair had started, and commencing with the third it started to grow out finely, and in a few weeks head and eyebrows were covered with a third growth of fine black hair better than she had lost. I think it was entirely produced by the use of the Tonic, and would recommend it to all who need a similar remedy. Truly yours,
JOHN N. JACKSON.

S. O. RICHARDSON'S BITTERS. —GOOD NEWS FOR THE SICK.—The subscriber takes pleasure in communicating to his fellows, the happy results he has experienced from the use of Dr. S. O. Richardson's Sherry Bitters. During the last four years, having had occasion to resort to many experiments for the restoration of my health, and having experienced much inconvenience from a general nervous debility and consequent dispepsia and loss of appetite, I at length fortunately procured a bottle of Dr. R.'s Bitters, and from actual experience can recommend them to the public as a most agreeable and effectual restorative of health and bodily vigor.—Having also had occasion to witness their effects on many of my friends and neighbors, I can testify to their beneficial effects. Dr. Richardson needs no encomium with those who are personally or experimentally acquainted with him, sustaining as he does a high reputation for his knowledge and skill in the medical department. To those who know him not, I can give no more favorable introduction than advising them to make immediate use of a bottle of his very valuable Bitters. W. G. SIMMOND.
From the Palladium, New Haven.
WEST KILLINGLY, Conn., June 15, 1840.
Dr. S. O. RICHARDSON,
Sir—Having been, for the last few years, very much debilitated and much out of health otherwise, and had the advice of twenty or thirty of the best physicians in Charleston, S. C., New York, Saratoga Springs, Boston, and a number of other places, I was in Boston, on the 4th of last March, and called at your office and bought a bottle of your Sherry Bitters. After I returned home, I bought more. I commenced gaining from the very first, and I have taken three bottles, and am now well. My case was despaired of as certainly incurable; but in three months, I have gained just 57 pounds—which is surprising, as I
