BAT NELSON AGAIN CHALLENGES WELSH

Chicago, June 4.—Old Bat Nelson has turned completely around. The Battering Bat bobbed up in Chicago today with a defi to meet Freddie Welsh for nothing, provided it's over a twenty-round trail. The former light-weight king said today that the Denver promoters can go ahead and give Welsh a $20,000 purse and himself car fare and he'll fight the Englishman any old time.

NEWARK MAY SHIFT CLUB TO HARRISBURG

Newark, N. J., June 4.—Harry Smith, the catcher-manager of the Newark International League club, received his unconditional release yesterday from President George L. Solomon. Smith was paid in full and left the club's office to return to his home in Massillon, Ohio. President Solomon said that Smith and the club were severing relations on the best of terms. He declared the club is finding it so hard to meet its obligations it simply had to economize in some direction or go to the wall.

Because of its tottering finances it was rumored that the club will be transferred to another city, probably Harrisburg, Pa. Solomon said that he had been considering transferring the club, but had no plans formulated. He said that a shift from this city would mean a loss of about $75,000. He said the club had lost nearly $5,000 since the beginning of the season.
