NEW ORLEANS, August 18, 1868.

To the Honorable the Common Council of the City of New Orleans:

The undersigned Property Holders on Peters and Clay streets (Second District of this city), respectfully beg to represent the necessity of sidewalks on the above named streets, from Conti to Customhouse street, and pray that your honorable body will pass an ordinance authorising and compelling the property holders to have the said sidewalks laid at once.

We also further beg to represent the propriety of the city having Clay street graded and macadamized from Conti to Customhouse street, at its own expense, in the same manner as it has been done from Conti to St. Louis street, as we believe that the benefits extended to one or more should be extended to all on the same street, and in this view we solicit your honorable body to instruct the city surveyor to proceed in the grading and macadamizing of Clay street, from Conti to Customhouse street.

PETITION.....PETITION

NOUVELLE-ORLEANS, 18 August 1868.

A l'honorable Conseil Commun de la ville de la Nouvelle-Orléans:

Les soussignes propriétaires sur les rues Peters et Clay, Deuxieme District de cette ville, vous informent respectueusement qu'il serait necessaire de construire des banquettes sur les dites rues, depuis la rue Conti jusqu'à la rue de la Douane, et vous prient de vouloir bien passer l'ordonnance nécessaire afin d'obliger tous les proprietaires à faire les banquettes en face de leurs propriétés

Nous croyons aussi qu'il serait convenable que la ville fit empierrer la rue Clay de la rue Conti à la rue de la Douane, à ses propres dépens et de la même maniere qu'il a été fait de la rue Conti à la rue St-Louis. Pensant avoir droit aux mêmes avantages qui ont été faits à d'autres proprietaires sur la même rue nous vous prions d'autoriser le voyer de la ville à faire empierrer la rue Clay de la rue Conti à la rue de la Douane.

WM. H. VREDENBURG par Wm. H. Vredenburg Jr., 25 pieds sur la rue Peters, 100 pieds sur la rue Clay.
