ROMAN EYE BALSAM.

☞ "The light of the Body is the Eye."—What a calamity must it be for those who have weak eyes to live in a perpetual twilight! They cannot read pleasant books, or write pleasant letters to their friends, or enjoy the pleasant sunshine of a bright day. Nature may be ever so joyful in her "holiday attire" *they* are condemned to constant gloom. Not *necessarily*, however. Science has produced many wonders, and among others the *Roman Eye Balsam*. A catalogue of the patients who have been cured by its application could not be read at one sitting. If the eyelids are inflamed, or the eyeballs bloodshot, no matter what the cause may have been—just call at the store of Messrs. Sands & Co. in Broadway, and they will furnish you with a jar of the Balsam for 25 cents, with printed directions for use. Persevere in the application for a short time. *You will succeed.*

Prepared and sold by A. B. SANDS & CO. Chemists and Druggists, 273 Broadway, cor. Chambers st. Sold also at 79 Fulton st. and 77 East Broadway. m15 1mis

GENUINE BEAR'S OIL.

☞ Pliny, the celebrated naturalist, speaking of bears, informs us that their oil was used by Cleopatra as the most nutritive substance which could be applied to her magnificent hair. Science has given the moderns no compound for this purpose equal to the provisions afforded by Nature in the grease of the bear. Its effects, especially in the form of Oil, are truly wonderful. The capillary roots are strengthened; the bulbs are nourished; and the young hair increases in quantity. Even bald spots become fertile under its influence, if the roots have not been totally annihilated; and this is rarely the case, except at an advanced age. In fact, the *Genuine Bear's Oil* is unquestionably the best preparation for the Hair that the world has yet seen.

The *genuine* Oil, highly perfumed and purified for the purpose of the toilet, by A. B. SANDS & CO. Chemists and Druggists, 273 Broadway, cor. Chambers st. Sold also at 79 Fulton st. and 77 East Broadway. Price, 50 cents large bottles, 25 cents small. m15 1mis

☞ SPRING STYLE OF HATS.—BIRD, corner of Pine and Nassau streets.—Gentlemen Hats, of the style for the ensuing season, will be introduced This Day (Saturday, March, 1st, 1845.)

at 1mis* BIRD, corner of Pine and Nassau streets.

☞ **Beebe & Costar's Fashion for Sprng, 1845.**—CROWN—7¼ inches high, 5-16th bell, 1 yeoman, 1 curve.

TIP—oval.

BRIM—2 5-16th inches wide—curl small and round, rather fuller at sides, and tapering off very fine, meeting with a very slight turn at the front and rear. Set—the under part of the brim 1 sloped and ¼ inch curved.

BAND—5-16th inches wide, with buckle.

BINDING—9-16th inch wide

Feb. 24th, 1845.

N. B. In presenting to the public and the trade generally the above detail of the proportions of our Spring style, and in announcing it as THE STYLE for the ensuing season, we beg to state that we do so in the full reliance that its intrinsic beauties and positive merits will procure for it the undoubted stamp of public approval and adoption.

A comparison of this PRETTY AND VERY PECULIAR features with those of some of the other announcements as THE FASHION, will at once satisfy the public as to the originality of the design, and that all attempts at imitation are but sorry efforts to deceive them, and to appropriate *that* to which we have an exclusive claim. m29 2ws

☞ **Thirteenth Ward**—NEVER SAY FAIL!—At a large and enthusiastic meeting of the Whigs of the Thirteenth Ward, held at No. 5 Sheriff street, the following officers were chosen: NATHANIEL J. BOYD, Chairman; John Wright and Howell Smith, Secretaries.

The Call for the meeting was then read and unanimously adopted. Hon. Dudley Selden was then vociferously called for, and took the stand amid thunders of applause, and delighted his audience for more than an hour.

After which Mr. John Cromwell moved the following Resolutions:

Resolved, That we are not content with having on a previous occasion expressed our warm approval of the nomination of DUDLEY SELDEN as the Whig candidate for Mayor, and to reiterate that approval; and we say to the Whigs of this Ward—Your candidates will all be true to you; be as true as them, and we promise you a glorious victory.

Resolved, That although the open hostility of a portion of the professed Whig press is intended to chill the ardor and paralyze the arms of the honest and patriotic Whig masses, we heedly declare that which is not the effect on the Whigs of the Thirteenth; and we say to our Whig brethren throughout this City, that we confidently believe that a party who from premiple spurned the glittering favors of an apostate President, can achieve victory, notwithstanding its "blunderbuss" batteries and "mahogany stocked" artillery are either silent or turned against it.

Resolved, That we hereby tender our thanks to the Democrats of the Thirteenth Ward for their kindness in granting us the use of their Head Quarters this evening.

Which were carried amid thunders of applause, after which three cheers were given for DUDLEY SELDEN. The meeting then adjourned. NATHANIEL J. BOYD, Chairman.

☞ THE INVISIBLE WIG.—So closely resembles the real head of hair that skeptics and connoisseurs have pronounced it the most perfect and extraordinary invention of the day. The great advantage of this novel and unique wig is its being made without sewing or weaving, which causes its appearances so closely to resemble the natural hair, both in lightness and natural appearance, as to defy detection, its texture being so beautiful, so porous and so free, that in all cases of perspiration evaporation is unimpaired, and the great evils of other wigs entirely avoided. The skeptic and connoisseur are alike invited to inspect this novel and beautiful Wig, and the peculiar method of fitting the head, at the manufacturer's, A. C. Barry, 146 Broadway, corner of Liberty-street, up stairs. mt 1s
