THE KNICKERBOCKER Fire Insurance Company (late the Mutual) of New-York—Capital $280,000, Office No. 64 Wall-st.—The Legislature of this State at its late session passed an act changing the corporate name of the old "Mutual Insurance Company of the City of New-York," to the "Knickerbocker Fire Insurance Company of New-York." All future business of that Corporation will therefore be transacted under its new name.
It may be well to add, by way of explanation, that the old "Mutual," notwithstanding its title, was in fact a Stock Company, having capital all paid in and securely invested, and that the change of name was obtained to prevent misappprehension on that point.
This Company continues to insure against loss or damage by fire on as favorable terms as similar institutions in the city.
