high Mixed. Rye is better, with sales 3,000 bushels at 75@76 cents. Oats 42@46 cents, with fair demand.—There is nothing doing in Barley, and little or none on the market.

WHISKY—We note sales 200 bbls at 27@27½ cents, and some Drudge at 27 cents. The market is steady.

PROVISIONS—There is but little doing in Pork and Beef, and the market is heavy. Pork is nominally 11 25 and 14 25, although a sale of Mess was reported at 14 12½. About 300 bbls Pork were sold at an equal quantity of Beef, including some extra Mess at 12 75@$13.—Sale 50 tierces Prime Mess at 17 50. In Cut Meats there was considerable activity. We note sales 100 hhds Sugar Cured Hams in Pickle at 7¾; 50 do common at 7½; 50,000 lbs Pickled Shoulders at 6½, and 35 hhds do dry salt at 6½ cents. Lard is without change, with sales 200 tcs at 10¼@10¾, and 500 kegs at 11½@11¾ cents—Butter and Cheese are in steady demand at about previous rates.

OIL—English Linseed is lower, with sales 8,000 gallons at 58 cents. A sale of 4,500 gallons Country American was made at 60 cents, and that price offered for more. City American is held at 61. In Crude Whale there has been a considerable sale, including two cargoes at Greenport, together 4,500 bbls, for manufacturing, at 36½@37 cents, cash.

NAVAL STORES—Spirits are offered at 51 cents, which is lower. Sales 500 bbls North Co Rosin at 65 cts, delivered. Crude Turpentine is held at an advance.

OIL CAKE—We note sales 350 tons thick at $21—This is held at $30.

FLAX—sales 5,000 lbs Jersey on private terms.

SEED—Clover is nominal and dull at 7½ cents. Sales 50 bbls Timothy at $12.

HEMP—The sales during the last day or two are 150 to 200 bales American at $150 for Dew-rotted and $180 to $215 for Dressed. Sales 100 tons clean Russia at $225, and 30 do Outshot at $215.

WOOL—The sales of the week are about $75,000 lbs Fleece at full prices. Some fancy lots Saxony sold as high as 65 cents. The receipts are large, but the stock does not accumulate, as many of the lots go East at once. The demand from manufacturers is good, and prices are well sustained. The clip this year is larger than we have before had, and it has been handled in a superior manner. Sales 225 bales African on private terms. The stock of South American is exhausted, but Smyrna is in good supply.

LIME—A cargo of Eastern was sold at 83 cents. There is none afloat unsold.

LEAD—We note sales 500 pigs Missouri at 4 25, and that figure was bid for 1,000 pigs more.

BARK—There have been farther sales 10 tons No 1 Quercitron at $35.

TEAS—There is a good inquiry at private sale, and good grades Greens have improved 3 to 5 cents ⅌ ℔ since the opening of the season. Blacks are also better, the low prices having induced a speculative action. The low grades Green are doing better, but not so much so as the better descriptions.

GROCERIES—There has been a large business doing in Sugars at the late decline, and the market closes more firm for the lower grades, while no disposition is evinced to pay higher rates. The choicer grades of Cuba, but more particularly of Porto Rico and St Croix are very scarce, and held at rates almost beyond reach of buyers. The sales have been chiefly confined to the medium qualities, including some few lots of low and choice, as follows: 150 Cuba 6¾; 125 do 6¾; 140 do 6. One cargo 250 hhds, on private terms; 50 do 5¾; 200, 5¾; 180, 6¼; 160 Porto Rico, 6; 60, 5¾; 80, 6¾; 100, 7½; 40, 6¼ cents; 30 St Croix, 7½; 20 do, 8½; 300 bxs Browns, 5¾@6¼; 200, 6¼@7½; 90 Whites, 8½@8¾ cents. The arrivals are about equal to the demand.... We have another dull week to note in Molasses. The market, however, is gradually stiffening, and the demand at the close of the day was more active. The supply of good quality of common Cuba is inadequate to the demand, while we have a large stock of this description of Molasses of indifferent quality and sour. The grades of Cuba Muscovado and Trinidad are more plenty, and in these grades the market has been most affected, showing a decline in the last two weeks of 3 cents per gallon. The stock, however, is gradually diminishing, and these, with Porto Rico of prime quality, are more in demand, with a slight improvement in prices. The sales comprise 300 Porto Rico, from common to prime, 32@36 cents; 50 Cuba Muscovado, 31½; 100 do, 27; 90 do, 30 cents; 60 do, 35 cents; 200 Trinidad, 27@30; 100 common Cuba, 23½; 80, 24½; 40 do, 25; 50 sour, 20; 30 do, 22½ cents.... Coffee is in good demand, and the market more easy; 3,000 bags Brazil sold for 7¾ cents; 300 Maracaibo, 7¾@8 cents; 200 Laguayra, 7½; 100 Cuba, 7¾@7½; 400 St Domingo, 6½@6¾; 300 Sumatra, 6¾.

☞ **Lost her Speech.**—The annexed certificate tells a simple and truthful story of suffering and relief. There are thousands of similar cases in this City and Brooklyn, and yet there are thousands of parents let their children die for fear of being humbugged or to save a few shillings.

BROOKLYN, Sept. 15, 1847.

Dr. Townsend: I take pleasure in stating, for the benefit of those whom it may concern, that my daughter, two years and six months old, was afflicted with general debility and loss of speech. She was given up as past recovery by our family physician; but fortunately I was recommended by a friend to try your Sarsaparilla. Before having used one bottle she recovered her speech and was enabled to walk alone, to the astonishment of all who were acquainted with the circumstance. She is now quite well and in much better health than she has been for 18 months past. JOSEPH TAYLOR, 128 York-st. Brooklyn,
Principal Office 126 Fulton-st. s18 1t

☞ **Two Children Saved.**—Very few families indeed—in fact we have not heard of one—that used Dr. Townsend's Sarsaparilla in time lost any children the past Summer, while those who did not sickened and died. The certificate we publish below is conclusive evidence of its value, and is only another instance of its saving the lives of children:

Dr. Townsend—*Dear Sir*: I have had two children cured by your Sarsaparilla of the summer complaint and dysentery; one was only 15 months old and the other 3 years. They were very much reduced, and we expected that they would die; but they were given up by two respectable physicians. When the Doctor informed us that we must lose them, we resolved to try your Sarsaparilla we had heard so much of, but had but little confidence, there being so much stuff advertised that is worthless; but we are very thankful that we did, for it undoubtedly saved the lives of both. I write this that others may be induced to try it. Yours, respectfully, JOHN WILSON, Jr.

☞ **Lunatic Asylum.**—James Cummings, Esq. one of the Assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

RHEUMATISM.

This is only one of more than four thousand cases of rheumatism that Dr. Townsend's Sarsaparilla has cured.—The most severe and chronic cases are weekly eradicated by its extraordinary virtues:

BLACKWELL'S ISLAND, Sept. 14, 1847.

Dr. Townsend—*Dear Sir*: I have suffered terribly for nine years with the rheumatism; considerable of the time I could not eat, sleep, or work; I had the most distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good—I am so much better. Indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

GENTLEMEN'S HATS.

FALL FASHION 1847.
BEEBE & CONSTAR, HATTERS,
156 BROADWAY, NEW-YORK, AND
138 CHESNUT-ST. PHILADELPHIA, WILL PRESENT THE FALL FASHION FOR GENTLEMEN'S HATS,
On Saturday, August 28, 1847.

☞ **Upon issuing the Fashion for the season,** B. & C. beg leave to say that it is their intention to introduce a style of hat altogether superior to any before offered. They have adopted an entirely new and unique mode of trimming, which, combining in the highest degree elegance of finish and durability, tends materially toward the preservation of the hat.

Another improvement will be the strict adaptation of every hat as well to the features as to the form and size of the wearer, thereby avoiding the apparent incongruity of a large and tall man with a diminutive hat, and vice versa.

Beebe & Constar will present on this occasion, beside their well known superior Moleskin Hat, a Black Fur Hat, of the Rocky Mountain beaver, a superior article, which will be sold at their regular standard price.

They would respectfully invite attention to the branch of their establishment, 138 Chesnut-st. Philadelphia, which will be opened on the 20th inst. in a style corresponding with their house in New-York, with a superior stock of goods, and with the avowed object of furnishing a better hat for the price than can be found elsewhere. There will always be found at both places a full and complete assortment of hats and caps for gents, youths and children, together with ladies' riding hats and caps, and a variety of fancy goods appertaining to the trade, such as canes, umbrellas, gloves, brushes, and other articles for the toilet.

The facilities afforded them by a ready and frequent intercourse with the cities of Paris and London, together with the recent improvement which they have effected in the construction and use of machinery, will enable them to offer goods of the most desirable fashion and fabrication at the very lowest market prices, either at wholesale or retail. au17 1mif
