This costume "knocked 'em cold" along the Boardwalk in Atlantic City. It is black and white, and the pup matches. The latter, by the way, is led by a silver chain. The wearer of the costume is Miss Katherine Kilgore of New York.

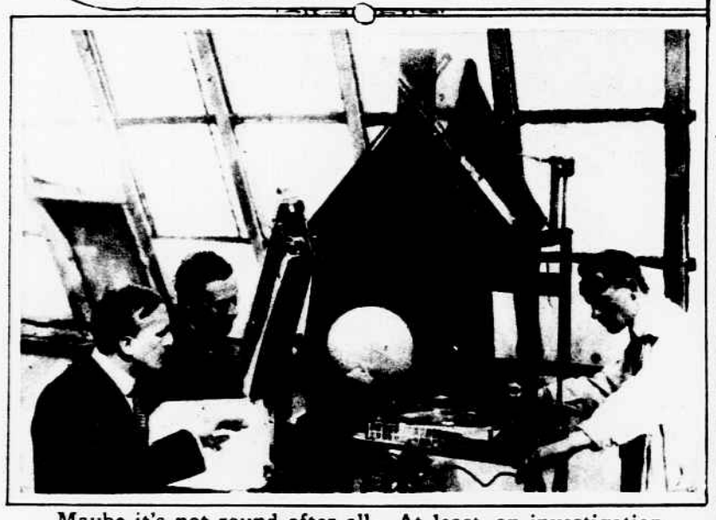
© Underwood & Underwood.

United States soldiers, with their machine guns, on the walls of Peking, China, during recent hostilities about the ancient city.

International.

At last we have the barefoot golfer. She is Miss Margaret Young of San Francisco, and she saves daylight by getting up while the dew is still on the grass. Then, unshod, she drives and putts her way about the course.

International.



Maybe it's not round after all. At least, an investigation is going on. Prof. Nicholia, European scientist, is conducting an exhaustive series of experiments to prove the fact of the earth's being round, which statement is still doubted in some quarters.
