Stevens vs Stevens Case Again Postponed Through Some Blunder in the Record.

West Weber Peace Disturbers Arrested — Wedding Permits — Police Court Notes — Briefs and Personals.

The hearing in the case of Mary E. Stephens et al against Sidney Stevens et al came on for the third time for trial before Judge McCarty. The suit is brought by the plaintiffs to secure a judgment against the defendants for $8,805.12 together with interest thereon at the rate of 18 per cent per annum from December 26, 1899, also for $150 and for costs of suit.

The case had already been postponed twice, on account of errors in the records. The first time the case came up for hearing it was discovered that papers in the case were not to be found, they had probably been burned in the Utah Loan & Trust fire, and the hearing was continued. The second time the action was set for hearing, it was found that a clerical error had been made, in that according to the records the judgment had been satisfied, and the court ordered the error corrected, and the hearing was continued. When the case was set for hearing the third time, it was thought everything was in proper order to go on with the hearing, but after a jury had been secured, it was found, in looking over the order of the court as entered on the judgment roll, that in entering the name on the roll they had been reversed, this mistake having occurred because of the similarity of the names. The court ordered the correction of the error and the case was continued for the term.

In the matter of the estate and guardianship of Jesse J. Jenkins, a minor, a petition was filed praying for the appointment of Eva Mae Bell as guardian. Hearing on petition was set for Feb. 11, 1902.

In the matter of the estate of T. C. Chamberlin, deceased, the court appointed the widow, Gean Chamberlin, as administratrix.

POLICE COURT.

The court found the defendant guilty and fined him $10.

Bloomington, Washington Co., January 27.—On the morning of the 23rd the ground was covered with five inches of snow. It did not snow much more that day, and looked like it might clear up, but on the 24th and 25th it snowed nearly all of both days. In the evening a cold wind began. When the practice was about half over, Union Chorister Wm. E. Cox was presented with a silver mounted ebony baton, Bro. David E. Jones making the presentation speech in behalf of the ward, eloquizing Bro. Cox on his faithfulness and success in music. Practice was then continued until 9:30 p. m., when the Union choir surprised their visitors with refreshments, consisting of sandwiches, pie and cake, with hot lemonade, after which Bishop W. C. Burgon of Union made a brief talk, complimenting both choirs on their good voices and wishing that the leaders and members of the Sandy ward choir would call again. A response was made by Prof. Hartvikson.

BRYAN, IDAHO.

MRS. KNIGHT PROVIDED FOR

By Generous Morelanders — Scarlet Fever Victim—Storm King's Visit.

Special Correspondence.

Bryan, Bingham Co., Idaho, Jan. 26.—The two children of Mrs. Knight, who sustained serious injuries from the hands of their father while in a fit of insanity, as recorded in the "News" some weeks ago, have entirely recovered, notwithstanding the rumors which have been published that one of them had died from the same. The good people of this vicinity have purchased a house and lot on the townsite and Mrs. Knight and her children are now occupying it. Mr. Knight, the unfortunate man, is still at the asylum at Blackfoot, but is in a fair way to recover.

The people have been taking advantage of the fine weather in quarrying and hauling rock for their new meeting house.

All the organizations of the Moreland ward are in the line of their duties and are progressing favorably.

Each of the missionaries' wives has been the victim of a pleasant surprise, picnic and social, and has been presented with a purse of money.

A farewell party was given to Chas. P. Swendson at which a neat little sum was raised to aid him and he has departed for Europe on a mission.

The younger men of this (Moreland) ward hauled a large quantity of wood for the meeting house, missionaries' wives and others rendered unable to do that kind of work on account of physical disability, and the boys were rewarded for the same by receiving a dance and supper in the meeting house, when a general good time was had.

VICTIM OF SCARLET FEVER.

Scarlet fever has made its appearance in our midst and plucked from us one sweet little rosebud—Clarence, the little son of Mr. and Mrs. Charles Stronger.

VISIT OF STORM KING.

The winter, up to the 25th of January, was the mildest in the history of this part of the country. A very severe storm, which almost reached the blizzard point, let the people know they were still in Idaho, and a very cold snap is following in its wake.

This place as well as other parts of Snake River valley is growing rapidly. Many new settlers are coming, and still there is room for more.

MUNYON'S INHALER CURES CATARRH.

CATARRAH OF THE STOMACH

A Pleasant, Simple, but Safe and Effectual Cure for It.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied sometimes with sour of watery risings, a formation of gasses, causing

pressure on the heart and lungs and difficult breathing, headaches, fickle appetite, nervousness and a general played-out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson the safest and best treatment to use after each meal a tablet composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine, can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. N. J. Booher, Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of the stomach without cure, but today I am the happiest of men after using the one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use.

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, billiousness, sour stomach, heartburn and bloating after meals.
