THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN.

When Sickness Comes to the Little Ones.

It is the Mothe ho Chiefly Su ers.

She suffers even more than the child who happens to be sick. Her sympathy is deeper than that of any other member of the family.

The mothers look forward with dread to the torrid heat of summer, thinking of their children and the many liabilities to disease that are before them. Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Peruna is the best friend she has in times of illness among the children.

The doctors may come and go with their different theories and constant change of remedies.

The doctor of years ago gave entirely different remedies than he does today. Each year finds some change in his prescriptions and in the drugs he relies upon.

A Great Multitude of Mothers.

Have discovered that Peruna is the stand-by, and that in all the ailments of spring and summer to which the children are subjected, Peruna is the remedy that will most quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Peruna quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Peruna is not a physic. Peruna is not a nervine nor a narcotic. Peruna does not produce any drug habit, however long it may be taken. Peruna is not a stimulant.

Peruna is a specific remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peruna has.

The Mothers Hold Pe-ru-na in High ESTEEM.

Not only because it has cured them of their various ailments, but because it always rescues the children from the throes and grasp of catarrhal diseases.

We have in our files bushels of testimonials from mothers whose children have been cured by Peruna. However, the large majority of mothers who use Peruna we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peruna that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

The Benefit Which the Children of the United States Have Received From Peruna Can Never be Put Into Words.

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peruna, for it is in the tender years of youth that slight ailments are liable to develop into lasting diseases, thus blasting the whole career of the individual.

The mothers who are bringing up their children today to believe in Peruna are doing a great work for humanity.

These children brought up to believe in Peruna from the start, will, when they become heads of families themselves, use Peruna with unquestioning faith.

Pe-ru-na Protects The Little Ones.

Mrs. Thresa Rooke, 258 N. Ashland Ave., Chicago, Ill., Treasurer Ladies' of the Maccabees, writes:

"In our home Peruna is the only medicine we have. Grandmother, mother, father and child, all have used Peruna. It is our great remedy for catarrh of the stomach and head, colds and female complaints of which it has cured me.

"We find it of great value when my husband becomes worn out or catches cold. A couple of doses cure him.

"If the baby has colic, or any stomach disorders, a dose or two cures her.

"I consider Peruna finer than any doctor's medicine that I have ever tried, and I know that as long as we have it in the house, we will all be able to keep in good health."—Thresa Rooke.

Mrs. John Hollingsworth, Prescott, Ont., Can., writes: "I am pleased to testify to the value of Peruna as a household remedy. My husband has used it for colds and I have found itt very beneficial for indigestion. I find it especially valuable for my children. My two daughters, seven and nine years old, have taken it for colds, as it cures in a day or two. They have been cured in an hour from cramps and colic, and whenever they have felt badly, nervous or irritable, or have lost their appetite or sleep, a dose or two of Peruna would invariably cure them."—Mrs. John Hollingsworth.

Mr. G. H. Farmer, New Martinsville, W. Va., writes: "Our little son, Harry, is well and healthy now and we think if we do as you directed us, he will keep his health and grow strong.

"We know that our little son's life was saved by your wonderful medicine, Peruna, and we shall always praise Peruna and use it in our family when needed.

"Should we have any more catarrhal trouble in our family, we shall always write to you for treatment."—G .H. Farmer.

Mrs. Amelia Sailer, Menasha, Wis., writes:

"I have used Peruna for a number of years. It cured me of chronic catarrh, which I suffered with from infancy.

"When my three children were born they all had catarrh, but I have given them Peruna and find it very effective in ridding them of this horrible trouble. I find that it is also good to give them as a tonic and a preventative of colds and colic.

"In fact I consider it a household blessing. I would not know how to raise my children without it. I am pleased to give it my recommendation."—Mrs. Amelia Sailer.

Mr. Peter C. Herr, Bluffton, O., writes: "We take the pleasure to write you that our five year old son is well. It is safe to say that he is cured. He took four bottles of Peruna. We thank you very much for your kindness and advice."—Mr. Peter C. Herr.

Mr. William D. Ward, Dawson, Ga., writes: "Last December we had a little boy four months old afflicted with eczema. After trying various prescriptions from doctors we commenced using your Peruna. Before we did so every particle of hair came out, and his scalp was irritated, in fact, he was sore from crown of head to soles of feet. After we had given him two bottles his hair came back, and since then we have seen no sign of the eczema. We give you this endorsement without solicitation on your part, and we will gladly answer any inquiries from effected parties in regard to this matter. Your medicine is everything you claim for it."—Wm. D. Ward.

Mr. Edward Otto, 927 De Soto Street, St. Paul, Minn., writes: "I cannot say enough for Peruna. It has done great work in my family, especially for my oldest boy. We had doctored with three or four different doctors and they did not seem to do him any good. We gave up hopes of cure, and so did they, but we pulled him through on Peruna. He seems perfectly well; eats well and sleeps well. It is Peruna that did it. We had several doctors and they said they could do no more for him, so we tried Peruna as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required. When we feel a cold coming on we take a few doses of Peruna, and the next day it is gone. It has done wonderful work in my family. I recommend it wherever I can"—Edward Otto.

A. O. Harding, of Prescott, Ont., has been presented with a 25 year Medal of Honor in Odd Fellowship, and is also one of the leading druggists of Prescott. He writes as follows: "Ever since I have been handling Peruna, I have had a fine trade. Once a family buys a bottle, I am sure of selling them more and it never fails to bring additional customers. I have nothing better for catarrh in all of its various forms. It cures colds in a day or two, relieves cramps immediately, cures lung troubles and the various stomach disorders."

e-ru-na Should be Kept in Every Household

Where There Are Little Children.

Peruna should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But, have Peruna on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the affections of childhood are catarrh.

All forms of sore throat, quinsy, croup, hoarseness, laryngitis, etc., are but different phases of catarrh.

Mr. Howard Andrew Sterner, Muddy Creek, Pa., writes: "I have Peruna in my house all the time and won't be without it. It is the greatest catarrh remedy that was ever manufactured. It is good for children when they take cold or croup. It cured my baby boy of croup. I have introduced Peruna into six families since I received your last letter, and four have seen relief already."—Howard Andrew Sterner.

Mrs. J. H. Russell, 25 Horton Ave., Detroit, Mich., writes: "Peruna certainly did wonders for our little son, Arthur, as he has been the picture of health all summer. He has taken four bottles of Peruna, and I have followed your directions as carefully as I could. I am very happy with the results. I thank you very much for your interest in his case."—Mrs. J. H. Russell.

Pe-ru-na Protects the Entire Household Against Catarrhal Diseases.

As soon as the value of Peruna is appreciated by every household, both as a preventive and cure, tens of thousands of lives will be saved, and hundreds of thousands of chronic, lingering cases of catarrh will be prevented. Peruna is a household safeguard.

Mrs. S. Miles, Stoughton, Wis., writes: "When my baby, Evelyn, was quite young I noticed that she had catarrh. This worried me so much that I took her to a doctor and he prescribed for her. She seemed to get better but the relief was only temporary, as I noticed that with the next cold she contracted she was worse.

"I had used Peruna myself some time before with such good results that I decided to give it to her, feeling sure that there was nothing in it that could injure her. I gave her two bottles, which was all that was necessary, for it cured her. I am glad I took hold of this trouble while she was young and before it had secured too strong a hold on her system. I keep it on hand now and give her a few doses whenever she takes a cold, and it always takes effect and keeps her well and strong."—Mrs. S. Miles.

Mrs. Mary E. Connor, 724 23rd St., San Francisco, Cal., writes: "Peruna has been a blessing to my home. It has kept sickness out and we are today a happy and well family, thanks to Peruna. My husband was cured of lung trouble through Peruna and this showed us its merits.

"I am the mother of six boys, and whenever any of the family is sick with a cold, cramps or indigestion, a few doses of Peruna restores them. I am especially thankful to you for what Peruna has done for Leo and Francis, my two oldest boys. They had been troubled with catarrh and Peruna cured them within a few weeks."—Mary E. Connor.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

SAME OLD STORY, SALT LAKE LOST.

Local Fans Are Beginning to Get A Little "Sore" About It.

SOME MORE GINGER IS NEEDED.

Indians Take Fourth Game of Series By Reason of Better Ball Playing —Ross Beats Unfried.

PACIFIC NATIONAL LEAGUE.

	W.	L.	P.C.
Boise	9	6	.600
Spokane	9	7	.562
Butte	7	6	.538
Salt Lake	4	9	.307

There is not much to say about yesterday afternoon's game between Spokane and Salt Lake. The least said about it, probably the better.

It is the same old story, Salt Lake lost. With the exception of one or two incidents, the game was slow, featureless and uninteresting. Essick pitched a good game for the locals, but pitchers cannot always win games. His support was miserable. The pitchers are not to blame. It is the slow fielding, poor batting and a general lack of ginger.

There is no use trying to hide the fact that Salt Lake fans are getting "sore." They believe the home team can do better and they wonder why it don't. We have had thirteen games and Salt Lake has won four and lost nine. Look at the above table.

Of course, some team must be at the bottom of the column, but why should it be Salt Lake all the time? It is proper for the fans to support and encourage the team as much as possible, but it is also proper for the team to do its best all the time.

In yesterday's game, the Indians started out to win in the fourth. After that they were never in danger of losing the contest. Murdock came up first and hit safe. He was sacrificed by Rockenfield and Martinke made a three-bagger. Frary and Reilly hit safe, netting the visitors three runs. They got two more in the fifth on three hits and an error, another one came in on a couple of singles, and two stolen bases. Half of these should have been cut off. But they were not; therefore we lost.

In the fourth Hausen has hit by the ball and was scored by a two-bagger made by Delmas. The latter scored on Clark's two-bagger smashed out to left. We got one in the sixth on a hit and a couple of errors, and another in the seventh because Delmas smashed the ball over the fence for a home run.

That's about all there was to it.

The score follows:

SPOKANE.

	AB.	R.	H.	PO.	A.	E.
Ferris, s.s.	5	0	1	5	2	2
Murdock, c. f.	5	3	3	3	1	2

Pain Weakens

And Destroys the Nerves.

Do you know that pain is simply the nerves crying for help?

Has it ever occurred to you that pain weakens and destroys the nervous system?

For this reason you should act promptly in every case of headache, backache, stomach ache, sciatica, rheumatism, neuralgia, toothache, and all other pain.

Dr. Miles' Anti-Pain Pills will relieve pain almost instantly, because they act in a natural and harmless manner upon the nerve tissues, and relieve the conditions which cause the pain.

While very prompt and effective in their action, they do not effect the bowels in the least, are perfectly harmless, and leave no disagreeable aftereffects.

Delicate women who suffer from headache, bearing-down and periodical pains, can use them with impunity.

You may also give them to children with the assurance that while they will relieve, they cannot possibly harm.

"Dr. Miles' Anti-Pain Pills never fail to cure headache, pain in back of neck, cold pains, neuralgia, or in fact any pain. I have taken them with best results, and have given them to others; they never disappoint."—GILBERT R. HOUSER, Milford Center, Ohio.

25 doses for 25 cents. Never sold in bulk. If first package fails to benefit, your money back.

FREE Write to us for Free Trial Package of Dr. Miles' Anti-Pain Pills, the New Scientific Remedy for Pain. Also Symptom Blank. Our Specialist will diagnose your case, tell you what is wrong, and how to right it, Free. DR. MILES MEDICAL CO., LABORATORIES, ELKHART, IND.

Boise, Ida., May 13.—Boise could not hit the ball today when hits were needed. They had thirteen men left on bases. In the sixth inning a wild throw by Cook to first let in two runs for the visitors. Blewett pitched a very fine game, but dangerous errors at critical times lost what should have been a Boise victory. Score:

	R.	H.	E.
Butte	5	10	5
Boise	3	9	3

Batteries—Quick and Swindells; Blewett and Hanson.

Chess Championship.

Cambridge Springs, May 13.—The twelfth round of the International Chess Masters' tournament was played today, and at the conclusion Marshall maintained his lead over the other contestants by virtue of his victory over Delmar. Following are the results:

Fox was defeated by Marcoe in a Ruy Lopez after sixty-three moves, Marshall disposed of Delmar in a queen's pawn opening after thirty moves, Pillsburg lost to Janowski, a queen's gambit declined, after seventy-four moves, although the latter lost two pawns in the opening and ought to have lost the game. Barry and Showalter drew a Ruy Lopez after fifty-five moves. Mieses defeated Hodges in a Sicilian defense after twenty-two moves. Laker beat Tiechmann in a Petroff's defense after thirty-eight moves. Lawrence lost to Schlechter in a Sicilian defense after thirty-three moves, and Tschigorin defeated Napier in a Sicilian defense after forty-two moves.

ROSS DEFEATS UNFRIED.

German Strong Boy No Match for Utah's Champion Wrestler.

The wrestling match at the Salt Palace theater last evening, between Charley Ross and Frank Unfried, the "German Strong Boy," was worthy of a better house. It was a good, clean exhibition of the science of wrestling, and was apparently strictly on its merits.

It was demonstrated beyond a shadow of doubt that Ross is entitled to the championship. Unfried, though strong and clever, was no match for Ross, who won the first two falls. The German is about 15 pounds heavier than Ross, and did most of his work on the mat. He escaped from some dangerous holds, but Ross never let up for a second, and finally landed his man. The first fall was won in 15 minutes by a half-Nelson hold. The second fall he took in nine minutes by getting the same hold. Unfried fought hard in the second bout, but could not throw Ross.

The preliminary, between Young Houst and Ben Aldrich, for the 140-pound championship of the state, was an interesting contest, Aldrich won the first fall, but Houst captured the other two.

Prof. Frank S. Lewis and Jerry McCarthy gave a clever four-round exhibition of boxing. Willard Bean was the referee. About 250 persons were present.

TRIP CALLED OFF.

U. of U. Track Team Will Not Go to Colorado This Summer.

It has been definitely decided that the university track team will not go to Colorado this summer to compete with the Colorado Springs team. It is said that the management of the Utah team was too slow in making definite arrangements with the Colorado team, and that this is the reason the proposed meet has been declared off.

A FEW SPORTING NOTES.

Additional sporting news of interest of events at home and abroad will be found on page 24 of today's "News."

What is the matter with Bill Hausen and Gimlin lately? They seem to be unable to hit the ball. Not long ago they were considered dangerous men with the bat.

Baltimore, May 13.—"Kid" Sullivan of Washington, D. C., was awarded the decision over Joe Tipman of Baltimore on points at the expiration of a fifteen-round bout before the Eureka Athletic club tonight.

In this afternoon's game at Walker's Willie Hogg will probably be on the rubber for the Indians. Jensen is slated to pitch for the Salt Lake team. An extra supply of ginger has been imported for the local team.

London, May 13.—Ireland and England were represented in the final today of the ladies' golf championship contest, with the result that Miss Lottie Dod, of Morcton, England, won the title, defeating the former champion, Miss May Hazlett, by one hole.

It is not at all unlikely that Kellackey will be behind the bat for the Gimlinites in today's game. Hausen believes a day off would do him good, and so believing, he should be given a chance. Kellackey is a good man behind the bat, and ought to help the team out with his stick work.

Paris, May 13.—The Vanderbilt stables made a notable showing at the Maison Lafitte races today. Slyph III, with J. Lane up, won the Prix de Chars; Biltmore, on which J. Ransch had the mount, came in second in the race for the Prix Dance de Guerre, and Calico, ridden by J. Ransch, was third in the contest for the Prix Goldolphin.

Denver, May 13.—Walter Fairbanks of Denver today defeated W. K. Jewett of Colorado Springs at golf, thereby retaining the championship of Colorado. Some months ago the golf championship of California was won in a contest played between Fairbanks and Jewett, the game being won by the latter.

Wilmot told me the other day that Howell, one of our new pitchers, is so swift that few catchers will play with him. According to Walter, Swindells doesn't want to catch Howell, but has consented to practise with the new twirler and learn how to stop his balls without having his hands bruised and blistered. Howell certainly must be a wonder when catchers who pay no attention to the curves of Dowling and Roach, shrink from catching a new man's speedy shoots.—Butte Evening News.

YOUNG FAMILY REUNION.

Annual Affair Will be Held in the Granite Stake Tabernacle This Year.

A numerously attended meeting of the Young Family association was recently held, at which it was determined to hold this year's reunion at the Granite stake tabernacle, on Fourteenth South street, on June 1, the anniversary of the birth of President Brigham Young.

The Young Family association includes all of the descendants of President Young and of his brothers and sisters. There will be business meetings for the adoption of a constitution, for the election of officers, and for other matters of interest and importance. A number of committees have been appointed; and there will be an interesting program consisting of music, recitations, short addresses, tableaus, etc., after which the tables will be spread and an hour or so devoted to the partaking of the good things that will be provided by the members of the family, each branch thereof being expected to provide its own picnic. Dancing will follow.

This reunion of the Young Family bids fair to be the most successful in its history. The place of meeting is convenient and retired, and with its large hall and beautiful stage and scenery, and kitchens, furnishes accommodations of the most ample and attractive character. It is expected that members of the family will be present from distant points. The First Presidency, Presiding Patriarch, and Apostles have been invited, and a cordial invitation has also been extended to the members of the Richard's family, who are related to the Young family.

The committee comprises B. M. Young, Mrs. Jno. D. Spencer, Miss Emma Lucy Gates, J. Wash Young and others.

B. S. Young is to be master of ceremonies and Maj. Richard W. Young toastmaster. Apostle Brigham Young was the president of the association at the time of his death; Dr. Seymour B. Young is now presiding by reason of his position as vice-president.
