Drs. Wortman & Williams,

Are traveling Physicians, they establish a route and aim to visit each place once in about six weeks. That course enables them to see their patients often, consequently they can prescribe with much better success than by writing.

One of them will be at the Terre-Haute House, in Terre Haute again on Tuesday and Wednesday, April 5th and 6th, 1859. They devote all their time to the study and treatment of Chronic Disease. Their extensive traveling affords them an opportunity to see and investigate a great variety of diseases. At nearly all the places they visit, their rooms are crowded with patients, all having different stages of disease, this gives them all the advantages that physicians derive from visiting Hospitals, they are prepared to treat, successfully, all cureable cases. They treat Consumption and all diseases of the throat and air passages, by the inhalation of medicated vapors, together with general treatment. They at all times have from one hundred to several hundred cases under their special charge and and treatment—they are discharging cured, and receiving new applicants daily. By their local and general treatment, Consumption, in its first and second stages, is as much under the control of medicines as any other formidable disease. They wish it distinctly understood, that they are possession of, and use the Brompton Hospital remedies, that were adopted after many years experience, and the treatment of thousands of cases. Thus it may be seen, that they are not, as many are, experimenting, they pledge themselves to deal candidly and honestly with all, and give their opinions freely in all cases, they never urge any one to take their treatment, but leave all to choose their own course.

☞ All persons wishing their advice, will call early, as their stay is short.

No charge for consultation.

To Advertisers.—Our Daily and Weekly issues are rapidly increasing in their circulation, and the Merchants of our city will find it to their advantage to advertise their business through the medium of their columns.—*Verbum sat.*

Lost—Somewhere on 6th street, near the Canal, on Friday, a gold bracelet, studded with pearls and Turquoise. The bracelet is highly prized by the owner, and a liberal reward will be given to the finder, by leaving the same at THIS OFFICE.

☞ Vertigo, Extreme Languor and Exhaustion will not trouble you after using one bottle of Bo ehave's Hollard Bitters. Take half a tea spoonful regularly, one hour before meals—eat moderately—take a short walk before breakfast, and you will find that all that has been said of this remedy is true. Try it; it merely fails to relieve Sick Headache, weakness of any kind, acidity of the stomach, or any symptom of Dyspepsia.

The True Alchymists of the Age.

Alchymists were the indefatigable gold exploreers and hunters of the middle ages. The philosopher's stone was search bed after by the great, the rich and the poor. It was never discovered. The present age was left to unravel the mystery, and our own country the land to be signalized by the discovery. By sending $10, $5 or $2.50 to Wood, Eddy & Co, of Wilmington, Delaware, or Augusta, Ga., you will realize the sublime aspirations of the searchers after gold of the middle ages. Your small investment will open to you the chance of realizing the whole or a part of the magnificent sum of $10,000.

SPECIAL NOTICES.

☞ The Drops commonly administered to Fever and Ague patients are generally ruinous to the system, instead of curative and strengthening; yet the nostrums devised by self-sufficient old women are not much better. Something is needed which shall be the product of profound skill in the healing art, yet beyond the ordinary routine of the profession. This desideratum is supplied by the distinguished Dr. J. Hostetter, whose Bitters take rank among the most wonderful medicines ever devised.—Its effects are speedy and certain. Even the most settled cases of the disease yield to the tonic properties of the Bitters.

☞ We cannot refrain from calling the attention of our readers to an advertisement in this day's paper of the "Hair Restorative" of Prof. O. J. Wood & Co., of St. Louis. It will be seen that he has numerous certificates from persons of the highest character, to the merits of his Restorative. From positive knowledge we are also enabled to say, that it is in every sense what it professes to be, and we do not hesitate to pronounce it the finest preparation for the head and hair which has ever been devised by human ingenuity. We have seen it arrest threatened baldness and restore the head its original profusion of rich and glossy hair, and when the latter has been prematurely tinged with gray, we have seen it like magic, restore the colors of youth and health. The distinguished properties of this, we might truly say, miraculous Restorative, is that it gives to the person using it, the same head of hair that they wore in youth, thus acting in strict compliance with the first and greatest of all toilet makers—Nature. No one who has used it will hesitate to unite with us in testimony to its peculiar merit.—[Covington People's Friend.

A CARD TO THE LADIES.

Dr. J. Dupanco's Golden Periodical Pills, for Females.

Infallible in correcting irregularities and removing obstructions of the monthly turns, from whatever cause.

These pills are nothing new, but have been used by the Doctor for many years, both in France and America, with unparalleled success in every case; and he is urged by many thousand ladies, who have used them, to make the pills public for the alleviation of those suffering from any irregularity whatever, as well as to prevent pregnancy to those ladies whose health will not permit of an increase of family.—Pregnant females, and those supposing themselves so, are cautioned against using these pills while pregnant, as the proprietor assumes no responsibility after the above admonition, although their mildness will prevent any mischief to health; otherwise these pills are recommended. Full and explicit directions accompany each box.

☞ Read with Care.—In our advertising columns is found an advertisement of the great and popular medicine so extensively sold, and used by thousands of persons through the Western States in the last five years; we mean Dr Mann's Ague Balsam. We know nothing of its merits, save what we read and hear spoken of by our friends, never having been so unfortunate as to have to use anything in this line since we heard of it, yet we feel at times willing to make public through the columns of our paper, any discovery, new or old, and recommend it to our readers, that is so highly esteemed as this Balsam. We call attention of our readers to this wonderful compound, and if in want of an ague remedy give it a trial. Sold by all druggists.

Magic Cough Syrup!

IS THE ONLY RELIABLE REMEDY for the rapid and permanent cure of Coughs, Colds, Influenza, Bronchitis, Hooping-cough, Croup, Sore Throat, Bleeding Lungs and all diseases of the Throat, Lungs and Chest. This remedy is safe, reliable, and the only one that has proved itself a universal remedy for all the above diseases. The testimonials published are from our most distinguished citizens here at home, who have been cured by its magic power.

Important Testimony.

From Honorable J. W. Chapman, Judge of the First Judicial District, Indiana.

Madison, Ind., Nov. 22, 1855.

Dr. G. W. Phillips, Cincinnati, Ohio:—Having used several small bottles of your "Cough Syrup," personally and in my family, and having seen its effects upon others, in numerous instances of severe colds and coughs, I most cheerfully recommend it as an infallible remedy in all such cases. If this syrup were in general use, I confidently believe a large majority of the colds, accompanied by coughs that now terminate in consumption, would be effectually arrested. In fact I can see no necessity for any, who can obtain this remedy, being thus afflicted

Respectfully yours, J. W. CHAPMAN.

Laryngitis Cured without Faith.

From Rev. Jas. Brown, Minister of the Reformed Presbyterian Church, Madison.

Madison, Ind., Oct. 22, 1855.

Dr. G. W. Phillips—Dear Sir: About a year ago I had an attack of Laryngitis, to which I have been subject for a number of years. Learning that this was the fact, you handed me a bottle of your Cough Medicine. My confidence in your preparation was, I confess, not great. Nevertheless, as it was innocent and could do no harm, I was induced to try it, and am happy to say, with entire success. It not only cured me then, but I have had little or no affection of the kind since. This statement is cheerfully given with the hope that others may be induced to follow my example, and receive the same benefit.

I am yours, &c., JAMES BROWN.

Read this, also.

From Hon. B. Storer, L. L. D., Judge of the Superior Court of Cincinnati.

Cincinnati, Dec. 5, 1856.

Dr. G. W. Phillips—Dear Sir: Your Cough Mixture has been used with great success in my family. I believe it to be a most safe and efficacious preparation for the cure of ordinary colds, as well as of chronic affections of the throat and lungs. Many of my neighbors, who have felt the good effects of this medicine, assure me that they regard it with great favor. B. STORER.
