ANTI JAPANESE RIOT IN VANCOUVER

Numberless People Bruised and Injured by Broken Bottles And Flying Brickbats.

MOB WAS IN A GREAT FRENZY.

Baron Ishii and Consul Hisamidzu Barely Made Their Escape—International Complications Likely.

Seattle, Wash., Sept. 8.—A special to the Post-Intelligencer from Vancouver, B. C., says: Following a riot early in the evening, in Vancouver, in which Chinatown and the Japanese quarter were raided and damage done approximating $15,000, a further demonstration occurred in the early morning hours, in which Kiki Yiro Ishii, chief of the bureau of foreign commerce and head of the Japanese consular service, and Consul Saburo Hisamidzu, of Seattle, were the central figures, and in which riot numberless people were bruised and injured by broken bottles and flying brickbats in the hands of the mob in the throes of frenzy. Baron Ishii and Consul Hismanidzu finally made their escape through the mob and the affair was immediately cabled to Tokio. Coincident with the riot was the arrival of a steamship having on board at least 500 Japanese. With a common impulse the mob surged to the water front and as the Japanese came down the gang plank they were met by the rioters. Seven or eight of the Japanese were unceremoniously picked up and thrown into Burrad inlet.

Still further rioting occurred this evening about 10 o'clock, when a crowd of about 4,000 laborers again started on the warpath, but were finally quelled by the police after about 20 successful arrests had been made. Tonight Chinatown is roped off and the quarters of the orientals are guarded by the police.

Tonight Baron Ishii gave out an interview in which he stated that he had cabled to Ambassador Kaneko at London, apprising him of the stirring events of the last two days. Indemnity from the city to the amount of $25,000 will be claimed. Mayor Bethune declares the indemnity will not be paid, and the affair will be taken up with the Dominion government. Last night's rioting was the worst in the history of western Canada. International complications are looked for.

A MOB OF SOLDIERS.

Went to Release a Comrade from Jail But Were Promptly Dispersed.

Junction City, Kas., Sept. 8.—A mob of nearly 50 soldiers of the farriers' school at Fort Riley came here about 1 o'clock this morning for the purpose of releasing a comrade who was confined in the county jail. The sheriff and city police force were notified of their coming and from positions in windows above the jail opened a fire that quickly dispersed the mob as it sought to force an entrance. The authorities at Fort Riley placed guards at the jail and are aiding in the effort to find the members of the mob. Two arrests have been made. No one was shot.

KOREANS TURN GUERRILLA.

Tokio, Sept. 8.—The Korean insurgents are abandoning organized resistance to the Japanese. They now destroy the railways and telegraph lines and murder unarmed Japanese, of whom they already have killed 17, shockingly mutilating the bodies.

JOHNSON-BURTON MAYORALTY CONTEST.

Cleveland, O., Sept. 8.—The contest between Mayor Tom L. Johnson and Congressman Theodore Burton for mayor of Cleveland promises to be the most exciting political event in the history of this city. The indorsement of Mr. Burton's candidacy by Theodore Roosevelt, it is said, may be the foundation of a speech here by the latter during the campaign.

The Democratic executive committee has called the city convention at which Mayor Johnson and the ticket with him is to be named for Sept. 15. Mayor Johnson has declined to discuss the matter since the announcemenint of Burton as a candidate, but it is said that William J. Bryan and other leading Democrats from various parts of the country will be here to make speeches in his behalf.

KILLED FRIEND FOR A DEER.

Marshfield, Or., Sept. 8.—While hunting today near Whisky Run, 10 miles north of Bandon, William Hull mistook his companion, Alexander Mathers, for a deer, and fired. Upon running to the spot where he supposed the deer to be floundering in the bushes, he found Mathers in the agony of death. He lived but a few minutes. Hull is crazed with grief.

NEW YORK'S LARGEST SALE.

New York, Sept. 9.—Exceeding any bond sale ever made by the city of New York will be the sale of corporate stock and bonds for which bids will be opened tomorrow. Bearing an interest of 4½ per cent, $40,000,000 worth of bonds will be offered, this being $3,000,000 more than any prior sale. It is said that a syndicate of bankers and financial institutions has been formed to buy up the entire issue. As only a small portion of the amount is needed by the city now, the balance will be deposited in the banks, thus allowing the financiers not only to collect 4½ per cent interest from the city, but to loan the money to other parties.

NO ACTION TAKEN ON PHILIPPINE SUGAR.

Sacramento, Cal., Sept. 7.—The effort to have the Fifteenth Irrigation congress pass a resolution presented by Judge Raker, calling for the withdrawal of the duty levied on timber, has failed. Another important action of the gathering today was its decision to eliminate a resolution protesting against the enactment of any further legislation favoring Philippine sugar. With this latter exception, the report of the committee on resolutions was adopted as read and the policy of President Roosevelt and his administration in relation to reclamation, conservation of water and forests, and other matters, was endorsed.

The congress adopted unanimously the report of the committee on permanent organization of officers. The newly elected officers are: Frank C. Goudy, of Denver, president; George E. Barstow, of Texas, first vice president; John E. Raker, of Modoc county, Cal., second vice president; Herbert E. Strain, of Montana, third vice president; B. A. Fowler, of Arizona, secretary.

Albuquerque, N. M., was selected as the meeting place of the sixteenth irrigation congress.

STEVENSON'S BIOGRAPHER DEAD

Dundee, Scotland, Sept. 7.—Henry Bellyse Baildon, the biographer of Robert Louis Stevenson, was found dead this afternoon at the bottom of a quarry near this city. He started for a walk yesterday with his dog, but the dog returned home. There was a wound behind Baildon's right ear, but whether the result of an attack or an accident has not developed.

The deceased was lecturer on the English language and literature at University college, Dundee, and formerly was lecturer on English in the Imperial University of Vienna. He was the author of various works.

ROSH HASHANAH.

First Day of Jewish Year 5667 Celebrated With Unusual Enthusiasm.

New York, Sept. 9.—Rosh Hashanah, the first day of the Jewish secular year 5668, was observed with more than the usual enthusiasm by the thousands of Hebrews of the metropolis today. The observance commenced at sundown last night and continued through the day. Among the orthodox Jews the festival will be continued through tomorrow. Nearly all stores, offices and places of business owned by Jews, or where a large number of Hebrews are employed, are closed today. This morning all the synagogues were thronged with worshipers, the usual New Year rites being carried out. Among the younger generation the day is being made an occasion of merriment.

TO FIGHT THE TOBACCO TRUST.

New York, Sept. 9.—A declaration of warfare on all trust brands of tobacco and cigars was adopted today at a meeting of the independent tobacco trade of the country, held at the Madison Square Garden in connection with the tobacco exposition. An additional session will be held tomorrow, when final plans for fighting the trust and the "monopoly" cigar stores will be decided on. Several hundred delegates are in attendance, coming from as far west as the states of Washington and California.

OHIO INSURANCE LAWS.

Columbus, O., Sept. 9.—A public hearing on the 13 amendments to the state insurance laws, suggested by the joint legislative committee on insurance, will be held tomorrow in the state house, when those interested will present their views. The new regulations, if passed, will bar from Ohio any company which pays an officer a salary in excess of $50,000 a year, and will prevent absolutely the use of insurance funds in political campaigns. Along this line is a provision that the companies must report the amount of money spent in legislative work, and the purpose for which it was spent. The amendments are similar to those adopted in New York, as a result of the Armstrong committee investigation.

SEATTLE GREETS SECRETARY TAFT

He Delivers Address to Y. M. C. A. On Settlement of Friars Land Problem in Philippines.

WILL SPEAK AGAIN TODAY.

Announces His Itinerary—Will Sail From Seattle Sept. 12 and Expects To Arrive in N. Y. Dec. 10.

Seattle, Wash., Sept. 8.—Secy. Taft and party arrived in Seattle from Tacoma at 3 o'clock this afternoon on Chester Thorne's yacht, El Primero. Previous to his arrival thousands of spectators gathered at the entrance to the pier and lines were maintained by a force of police.

Congressman Frank Cushman and Chester Thorne were with the party on the yacht. The secretary was first greeted by Col. T. C. Woodbury, of the Third infantry, and Quartermaster W. S. Wood of Fort Lawton. As the secretary stepped on the pier he was greeted by the reception committee, which included United States Senators Piles and Ankeny, Congressman W. H. Humphrey, ex-Senator John L. Wilson, Mayor William H. Moore, President J. E. Chilberg and Director I. A. Nadeau, of the Alaska-Yukon exposition. Mrs. Taft was received by Mrs. John L. Wilson and taken directly to her residence.

Secy. Taft and the committee were driven in automobiles to the Grand Opera House, where the secretary delivered an address under the auspices of the Young Men's Christian association. The address included an account of the settlement of the friars problem in the Philippines and of the negotiations conducted directly with the pope, and details of how the final settlement avoided many delicate questions of diplomacy. The secretary was then taken to the Rainier club, where he informally met the members. He was then taken to the residence of ex-Senator Wilson, whose guests Secy. Taft and his wife will be during their stay in Seattle.

The secretary will make another address in the Grand Opera House tomorrow afternoon. A dinner will be given at the University club in the evening, and this will be followed by a reception given by the Yale alumni at the same club. At a later hour, the Ohio society, the Taft club and the Seattle Athletic club will tender him a reception at the Athletic club. He will inspect the Lake Washington canal on Tuesday, and on Wednesday he will go to Gray's harbor. On Wednesday evening the party will return to Seattle. The steamer Minnesota, on which he will sail for Manila, will leave Thursday at 11 a. m.

TWO KINDS OF HEROES.

Gen. Chas. King and Capt. Hobson Out for the Same Office.

Sandusky, O., Sept. 9.—Sandusky was invaded today by the hosts of veterans who took part in the Cuban campaign, here to take part in the national convention of the United Spanish War Veterans, which will be held during the week at Cedar Point, a summer resort near this city. The most interesting matter before the encampment is the election of officers, the favorites for national commander being Gen. Charles King, the soldier-author, and Congressman Richmond Pearson Hobson, the hero of the Merrimac and numerous kissing episodes. Both have numerous admirers, and the contest is likely to be a lively one. The principal business sessions will be held tomorrow and Wednesday.

FRANCE MAKES PROPOSAL TO SPAIN

Is to Send a Joint Army of 50,000 to Occupy Moroccan Ports And March on Fez.

SPANISH PREMIER OPPOSED.

Moorish Peace Commission Does Not Appear at Tangier—Armistice Sanctioned Proves Fruitless.

Paris, Sept. 8.—The Echo de Paris' Madrid correspondent says it is rumored in military circles that France has proposed to Spain to send a Franco-Spanish army of 50,000 men to occupy the Moroccan ports, and to go as far as Fez if necessary. The correspondent says it is stated that Premier Mauru and Gen. Martitogui, chief of the headquarters staff, are opposed to this plan, but that the minister of war, Gen. Primo Rivera, supports it.

The Eclair's Madrid correspondent says that Great Britain's influence contributed to a modification of Spain's attitude toward Morocco, Great Britain persuading her to co-operate effectively with French action and to conform to her rights and obligations as recognized by the treaty of Algeciras. The correspondent at Madrid of the Matin says it is believed Spain will decide to send 5,000 infantry and 500 cavalry to occupy Tangier, Tetuan and Larache, and establish a police force there.

The heralded Moorish peace delegation failed to materialize at Tangier Saturday, according to official reports received here tonight. If the delegatios do not appear tonight, the reports add, military operations will be resumed energatically tomorrow. Gen. Drude says he has profited by the suspension of the fighting by determining the exact positions of the enemy. Admiral Philbert cables that all the ports are orderly.

Premier Clamenceau announced tonight that no action would be taken in installing police in the other Moroccan ports until order had been re-established at Casa Blanca.

ARMISTIC FRUITLESS.

Casa Blanca, Sept. 7(Saturday)—The armistic sanctioned by Gen. Drude has been fruitless thus far, as the delegates of Caid Mazi, chief of the Camula tribe, have not put in an appearance. Gen. Drude has planned a vigorous campaign against the natives in case the Moors remain obdurate. Natives declare that numerous members of the tribesmen are encamped at Taddert awaiting the arrival of Malai Hafig or his representatives before making another attack.

Many peaceful Arabs who desire to return to Casa Blanca are hindered by the warring tribesmen, who have strong cordons of sentinels posted, with instructions to kill all persons attempting to pass them.

An example of the wild anarchy pervading the country is found in the siezure of Caid Zulgreither, one of the fomenters of the Casa Blanca revolt, by the Ouled Driess tribe, which appropriated his fortune and grossly maltreated his family.

RASULI'S DEMANDS.

Tangier, Sept. 8.—The British legation here has received by courier the terms of Rasuli's ultimatum for the release of Caid Sir Harry McLean. He demands British protection for himself, his appointment as pasha of the district from Tetum to Larache, and an indemnity.

TIMELY INFORMATION

The Jamestown exposition at Norfolk, Va., in its completeness, is, indeed, a handsome spectacle. Located, as it is, overlooking Hampton Roads, a short distance from Norfolk and Portsmouth, near Old Point Comfort, Hampton and Newport News, in a region full of historic interest and places; in a state which has always been a battleground; emphasizes the wisdom of its projectors, who, knowing the patriotic fervor of the great American people, also knew that they would generously patronize this most unique of expositions.

This is the first great exposition to be held at the seaside, in a beautiful country, and within the center of a populous civilization. The potency of the combination is obvious. Delegate, soldier, sailor, diplomat, and civilian meet there to commemorate the three hundredth anniversary of the nation's birth.

The Erie railroad offers to the exposition visitor an excellent train service with close connections at Marion, O., Peoria, O., Mansfield, O., Youngstown, O., Olean, N. Y., Elmira, N. Y., Waverly N. Y., and New York City.

A daily through sleeping car line is operated from Chicago on Erie train No. 8, leaving at 9:30 p. m., to Marion, O., via Hocking Valley to Columbus, thence Norfolk and Western train, leaving Columbus 8:00 a. m., arriving Norfolk 8:30 following morning.

The Erie equipment is comprised of comfortable high back seat day coaches, the best Pullman drawing room sleeping cars, and Erie dining and cafe cars operated on the European plan; you simply pay for what you order.

Tickets can be purchased going one-way via New York, returning direct, or reading going and returning via New York and rail or steamer.

The routes embrace trips via Baltimore and Washington, thence various steamer lines.

In addition to stop-over privileges now permitted at Niagara Falls, Chautauqua lake, until October 15, if ticket is deposited on or before September 30th (Jamestown or Lakewood), Cambridge Springs and Saegertown, stop-overs are permitted at any station on this company's lines, including stop-overs at New York at the later point for 10 days if desired. Stop-overs are permitted only within final return limit of ticket.
